A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to amend the Exchange's Constitution and Amended and Restated LLC Agreement to: (i) Remove the requirement that the President of the Exchange also be the Chief Executive Officer of the Exchange; and (ii) change the number of directors from 15 to no less than 15 and no more than 16, so as to allow for the election, at the discretion the Sole LLC Member,³ of a director who was employed by the Exchange at any time during the prior three years, but otherwise meets the definition of a "Non-Industry Director" as provided under the Exchange's Constitution. Currently, the Exchange's Constitution requires that the President of the Exchange also be the Chief Executive Officer of the Exchange⁴ and that the number of directors on the Board of Directors be fixed at 15.⁵ The Exchange believes that the proposed modifications would provide the flexibility to structure the Board of Directors in a way that is most effective for attracting and keeping the industry's most talented people, and in turn provide the flexibility to attract and retain the best possible management team for the Exchange and its members.

2. Statutory Basis

The basis under the Act for this proposed rule change is the requirement under Section 6(b)(1)⁶ that an exchange be so organized as to have the capacity to be able to carry out the purposes of the Act and to comply, and (subject to any rule or order of the Commission pursuant to Section 17(d)⁷ or 19(g)(2)⁸ of the Act) to enforce compliance by its members and persons associated with its members, with the provisions of the Act, the rules and regulations thereunder, and the rules of the exchange. The Exchange also believes this proposed rule change furthers the objective of Section 6(b)(5)⁹ that an exchange have rules that, among other things, are designed to remove impediments to and perfect the mechanism for a free and open market and a national market system, and, in
