The Federal Mine Safety and Health Act of 1977, as amended (30 U.S.C. 901) and 20 CFR 725.535, require that DOL Black Lung benefit payments to a beneficiary for any month be reduced by any other payments of State or Federal

benefits for workers' compensation due to pneumoconiosis. To ensure compliance with this mandate, DCVMWC must collect information regarding the status of any state or Federal workers' compensation claim, including dates of payments, weekly or lump sum amounts paid, and other fees or expenses paid out for this award, such as attorney fees and related expenses associated with pneumoconiosis. Form CM-905 is used to request the amount of those workers' compensation benefits. This information collection is currently approved for use through September 30, 2007.
