

applications submitted. The review panel will consist of at least 3 persons, all of whom will be full-time federal employees and at least one of whom will be an MBDA employee, who will review the applications for a specified project based on the above evaluation criterion. Each reviewer shall evaluate and provide a score for each proposal. Each project review panel (through the panel Chairperson) shall provide the MBDA National Director (Recommending Official) with a ranking of the applications based on the average of the reviewers' scores and shall also provide a recommendation regarding funding of the highest scoring application.

3. Oral Presentation—Upon MBDA Request

MBDA may invite the two (2) top-ranked applicants for each project competition to develop and provide an oral presentation. If an oral presentation is requested, the affected applicants will receive a formal communication (via standard mail, e-mail or fax) from MBDA indicating the time and date for the presentation. In-person presentations are not mandatory but are encouraged; telephonic presentations are acceptable. Applicants will be asked to submit a PowerPoint presentation (or equivalent) to MBDA that addresses the oral presentation criteria set forth above. The presentation must be submitted at least 24 hours before the scheduled date and time of the presentation. The presentation will be made to the MBDA National Director (or his/her designee) and up to three senior MBDA staff who did not serve on the original review panel. The oral panel members may ask follow-up questions after the presentation. MBDA will provide the teleconference dial-in number and pass code. Each applicant will present to MBDA staff only; competitors are not permitted to listen (and/or watch) other presentations.

All costs pertaining to this presentation shall be borne by the applicant. MBOC award funds may not be used as a reimbursement for this presentation. MBDA will not accept any requests or petitions for reimbursement.

The oral panel members shall score each presentation in accordance with the oral presentation criterion provided above. An average score shall be compiled and added to the score of the original panel review.

4. Final Recommendation

The MBDA National Director makes the final recommendation to the Grants Officer regarding the funding of applications under this competitive

solicitation. MBDA expects to recommend for funding the highest ranking application for each project, as evaluated and recommended by the review panel and taking into account oral presentations (as applicable). However, the MBDA National Director may not make any selection, or he may select an application out of rank order for the following reasons:

(a) A determination that an application better addresses one or more of the funding priorities for this competition. The National Director (or his/her designee) reserves the right to conduct one or more site visits (subject to the availability of funding), in order to make a better assessment of an applicant's capability to achieve the funding priorities; or

(b) The availability of MBDA funding. Prior to making a final recommendation to the Grants Officer, MBDA may request that the apparent winner of the competition provide written clarifications (as necessary) regarding its application.

Intergovernmental Review: Applications under this program are not subject to Executive Order 12372, "Intergovernmental Review of Federal Programs."

Limitation of Liability: In no event will MBDA or the Department of Commerce be responsible for proposal preparation costs if this program fails to receive funding or is cancelled because of other MBDA or Department of Commerce priorities. All funding periods are subject to the availability of funds to support the continuation of the project and the Department of Commerce and MBDA priorities. Publication of this notice does not obligate the Department of Commerce or MBDA to award any specific cooperative agreement or to obligate all or any part of available funds.

Universal Identifier: Applicants should be aware that they will be required to provide a Dun and Bradstreet Data Universal Numbering system (DUNS) number during the application process. See the June 27, 2003 **Federal Register** notice (68 FR 38402) for additional information. Organizations can receive a DUNS number at no cost by calling the dedicated toll-free DUNS Number request line at 1-866-705-5711 or by accessing the Grants.gov Web site at <http://www.Grants.gov>.

Notwithstanding any other provisions of law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the Paperwork Reduction Act unless that collection displays a currently valid OMB Control Number.
