Title 3—

Proclamation 8114 of March 19, 2007**The President****To Implement Modifications to the Caribbean Basin Economic Recovery Act and the African Growth and Opportunity Act and for Other Purposes****By the President of the United States of America****A Proclamation**

1. Section 5002 of the Haitian Hemispheric Opportunity through Partnership Encouragement Act of 2006 (Division D, Title V of Public Law 109–432)(the “HOPE Act”), which amends the Caribbean Basin Economic Recovery Act (Title II of the Trade and Development Act of 2000, Public Law 106–200)(CBERA), provides that preferential tariff treatment may be provided to certain articles that are imported directly from Haiti into the customs territory of the United States, provided the President determines that Haiti meets the eligibility requirements of section 213A(d) of CBERA, as amended (19 U.S.C. 2703a(d)), and Haiti is meeting the conditions regarding enforcement of circumvention set forth in section 213A(e) of CBERA, as amended (19 U.S.C. 2703a(e)(1)).

2. Section 6002 of the Africa Investment Incentive Act of 2006 (Division D, Title VI of Public Law 109–432) amends section 112 of the African Growth and Opportunity Act (Title I of the Trade and Development Act of 2000, Public Law 106–200)(AGOA) to modify the preferential tariff treatment accorded to designated lesser developed beneficiary sub-Saharan African countries.

3. Pursuant to section 213A(d) of CBERA, as amended (19 U.S.C. 2703a(d)), I have determined that Haiti meets the eligibility requirements set forth in section 213A(d)(1).

4. Pursuant to section 213A(e) of CBERA, as amended (19 U.S.C. 2703a(e)), I have determined that Haiti is meeting the conditions set forth therein.

5. In order to implement the tariff treatment provided under section 213A of CBERA, as amended (19 U.S.C. 2703a), and section 112(b)(8) and 112(c) of AGOA, as amended (19 U.S.C. 3721(b)(8) and (c)), it is necessary to modify the Harmonized Tariff Schedule of the United States (HTS).

6. Title I, subtitles A and B of the Tax Relief and Health Care Act of 2006 (Public Law 109–432)(the “Tax Relief Act”) suspended or reduced duties on certain articles that were identified under provisions of the HTS in effect on December 20, 2006. Presidential Proclamation 8097 of December 27, 2006, modified the HTS to conform it to the International Convention on the Harmonized Commodity Description and Coding System. Modifications to the HTS are necessary to reflect accurately the suspension or reduction of duties that were enacted in the Tax Relief Act.

7. Section 604 of the Trade Act of 1974, as amended (the “1974 Act”) (19 U.S.C. 2483), authorizes the President to embody in the HTS the substance of relevant provisions of that Act, or other acts affecting import treatment, and of actions taken thereunder, including the removal, modification, continuance, or imposition of any rate of duty or other import restriction.

8. I have determined that it is appropriate to authorize the Secretary of the Treasury to perform the functions specified in section 213A(f) of CBERA, as amended (19 U.S.C. 2703a(f)).

NOW, THEREFORE, I, GEORGE W. BUSH, President of the United States of America, acting under the authority vested in me by the Constitution and the laws of the United States of America, including section 604 of the 1974 Act, and section 301 of title 3, United States Code, do proclaim that:

- (1) In order to provide the tariff treatment provided for in section 213A of CBERA, as amended (19 U.S.C. 2703a), the HTS is modified as provided in Annex I to this proclamation.
- (2) In order to implement the tariff treatment provided for in section 112(b)(8) and section 112(c) of AGOA, as amended (19 U.S.C. 3721(b)(8) and (c)), the HTS is modified as provided in Annex II to this proclamation.
- (3) In order to provide the tariff treatment provided for in Title I, subtitles A and B of the Tax Relief Act, and to make technical corrections to previously proclaimed provisions, the HTS is modified as provided in Annex III to this proclamation.
- (4) The modifications to the HTS set forth in the annexes to this proclamation shall be effective with respect to articles entered, or withdrawn from warehouse for consumption, on or after the dates set forth in the respective annex.
- (5) The Secretary of the Treasury is hereby authorized to perform the functions assigned to the President in section 213A(f) of CBERA, as amended (19 U.S.C. 2703a(f)).
- (6) Any provisions of previous proclamations and Executive Orders that are inconsistent with the actions taken in this proclamation are superseded to the extent of such inconsistency.

IN WITNESS WHEREOF, I have hereunto set my hand this nineteenth day of March, in the year of our Lord two thousand seven, and of the Independence of the United States of America the two hundred and thirty-first.

A. Effective with respect to goods entered, or withdrawn from warehouse for consumption, on or after October 1, 2006, subchapter XIX of chapter 98 of the Harmonized Tariff Schedule of the United States is modified as follows:

(1) by inserting in the second table set forth in U.S. note 2(b) to such subchapter (pertaining to subheading 9819.11.12) immediately after the year "2007" the expression ", and each 1-year period thereafter through September 30, 2012 "; by deleting from such table the figure "1.6071" and by inserting in lieu thereof "3.5 "; and by modifying the sentence set forth immediately below such table to read as follows:

"Such apparel articles described in subheading 9819.11.12 shall, during the 12-month periods enumerated above, be allowed to enter regardless of the country of origin of the fabric or yarn used to make such articles, subject to any limitations imposed by the President in a proclamation published in the *Federal Register*."

(2) by inserting the following new U.S. note 5:

- "5. (a) For purposes of subheadings 9819.15.10 through 9819.15.42 and the superior text thereto, subject to the provisions of this note, apparel articles are eligible for entry under these provisions if:
- (i) under the terms of this note, they contain a fabric or yarn produced in beneficiary sub-Saharan African countries that has been determined by the United States International Trade Commission (USITC) to be available in commercial quantities for use in lesser developed sub-Saharan African beneficiary countries, pursuant to the terms of section 112(c) of the African Growth and Opportunity Act (AGOA), as amended (19 U.S.C. 3721(c)), and
 - (ii) they are entered in an aggregate quantity not to exceed the quantity, in square meter equivalents (SMEs), specified pursuant to this note for an applicable 1-year period from October 1 in any calendar year through September 30 of the next calendar year, inclusive, under the terms of such section 112(c),

provided that all other requirements of this note and applicable Customs regulations are met. For the purposes of this note, apparel articles contain a fabric or yarn specified in such subdivision if each article, or the component of each such article that determines the article's classification for tariff purposes, is considered to be an article or component of that fabric or yarn. The USITC will determine and announce, in notices published in the *Federal Register* under the terms of section 112(c)(2), the aggregate quantity of each fabric or yarn covered by a previous affirmative USITC determination that was used to produce apparel articles in lesser developed sub-Saharan African beneficiary countries enumerated in U.S. note 2(d) to this subchapter that were entered into the United States during each applicable 1-year period starting on October 1 in a year and ending on September 30 in the subsequent year. No apparel articles shall be entered under subheadings 9819.15.10 through 9819.15.42 after the close of September 30, 2012.

The USITC shall determine and announce in the *Federal Register* the quantity of such denim articles that is commercially available for use in such lesser developed sub-Saharan African beneficiary countries to produce apparel articles during each subsequent applicable 1-year period and any modifications of the aggregate quantity of apparel articles eligible for entry under such

subheading during any such subsequent applicable 1-year period, as required by section 112 of the AGOA.

- (c) For purposes of subheadings 9819.15.15 through 9819.15.42, inclusive, apparel articles that each contain a fabric or yarn determined by the USITC to be available in commercial quantities shall be entered under the appropriate subheading specified in any notice published by the USITC in the *Federal Register* to reflect its affirmative determinations under section 112 of the AGOA, in order to carry out the terms of subsection (c)(2) of such section.
- (d) The USITC will determine, in notices published in the *Federal Register* under the terms of section 112(c)(2), the aggregate quantity of each fabric or yarn covered by an affirmative USITC determination that--

 - (ii) was used to produce apparel articles in a lesser developed sub-Saharan African beneficiary country enumerated in U.S. note 2(d) to this subchapter that were entered into the United States during each 1-year period starting on October 1 in each year following the USITC's affirmative determination for such fabric or yarn and ending on September 30 in the subsequent year.
- (e) If a fabric or yarn is determined to be available in commercial quantities under such section 112 in an applicable 1-year period, and for 2 consecutive applicable 1-year periods the quantities determined to be commercially available are not used in the production of apparel articles receiving preferential treatment under the terms of this note that were entered during those 2 applicable 1-year periods, then beginning in the succeeding applicable 1-year period the apparel articles containing that fabric or yarn are ineligible for preferential treatment under this note in any succeeding applicable 1-year period and shall not be eligible for entry under this note, unless the USITC has determined that the quantity of the fabric or yarn determined to be commercially available in such lesser developed beneficiary sub-Saharan African countries for that applicable 1-year period has already been used in the production of apparel articles receiving preferential treatment under this note that were entered in that applicable 1-year period. Further, the President may by proclamation provide that apparel articles otherwise eligible for preferential treatment under this note that contain a fabric or yarn determined by the USITC to be available in commercial quantities may not receive such preferential treatment under the terms of section 112(c)(2)(D)(i) of the AGOA.
