Public Participation Policy

It is the policy of the Agency to ensure that public participation is an integral and effective part of SBA activities and that decisions are made with the benefit of significant public perspectives. The Agency recognizes the

many benefits to be derived from public participation for both stakeholders and SBA. Public participation provides a means for SBA to gather a diverse collection of opinions, perspectives, and values from the broadest spectrum possible, enabling the Agency to make more informed decisions. Likewise, public participation benefits stakeholders by creating an opportunity to provide input on decisions that affect their communities and our nation.

We anticipate publishing the final SBA Strategic Plan on September 28, 2007, and making it available on the Internet at that time.

Authority: 5 U.S.C. 306.
