BILLING CODE 4210-67-P

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[ID-330-1430-ELL; DSG070001; IDI-35511]

Notice of Realty Action; Modified Competitive Sale of Public Land, Custer County, ID

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of realty action.

SUMMARY: The Bureau of Land Management (BLM) has examined and determined that one parcel of public land approximately 103.88 acres, located in Custer County, Idaho is suitable for disposal by modified competitive sale to all qualified members of the public, pursuant to Sections 203 and 209 of the Federal Land Policy and Management Act (FLPMA) of 1976, as amended.

DATES: Interested parties may submit comments to the BLM Challis Field

Office Manager, at the below address. Comments must be received no later than July 9, 2007. Only written comments will be accepted.

ADDRESSES: Detailed information including but not limited to documentation relating to compliance with all applicable environmental and cultural resource laws is available for review at the BLM Challis Field Office. Address all written comments concerning this Notice to David Rosenkrance, BLM Challis Field Office Manager, 801 Blue Mountain Rd, Challis, Idaho 83226-9304. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

SUPPLEMENTARY INFORMATION: The BLM has identified the Lezamiz Family Limited Partnership (FLP) (John T. Lezamiz, General Partner/ Representative) as the proponent in this modified competitive sale. As the proponent, Mr. Lezamiz is reserved the right to match the highest bid. The purchase price will be determined through an open bidding process. The minimum opening bid will be no less than the appraised fair market value as determined by a Department of the Interior appraisal.

The following described public land in Custer County, Idaho has been determined to be suitable for sale at a price to be determined in an open bidding process under Sections 203 and 209 of the Federal Land Policy and Management Act of 1976, as amended (43 U.S.C. 1713 and 1719). The BLM has determined this land is difficult to economically manage [as part of the public lands] and that resource values will not be affected by the disposal of this parcel of public land. The parcel is identified for disposal in the Challis Resource Management Plan (1999), and its disposal would be in the public interest. In accordance with 43 CFR 2711.3-2(a)(2), this parcel is being offered by modified competitive sale to the Lezamiz FLP and all qualified members of the public. John T. Lezamiz/ Lezamiz FLP has been named the proponent based on two circumstances. The first is the fact that John T. Lezamiz is the adjacent landowner immediately to the south of the subject parcel. Second, Mr. Lezamiz is the current grazing permit holder, and has historically used the parcel in that capacity. Additionally, the Lezamiz FLP arranged for and paid for the environmental impact analysis and resource clearances completed for this proposed action. The parcel is fenced, bordered to the west and south by private property, and has no improvements. If selected as the highest bidder, failure or refusal of Lezamiz FLP to submit payment within 180 days of the sale of the parcel will constitute a waiver of this preference consideration. This parcel may then be offered for sale
