SUPPLEMENTARY INFORMATION:

Background

HUD published a proposed rule entitled "Standards for Mortgagor's Investment in Mortgaged Property" on May 11, 2007 (72 FR 27048). Through this rule, HUD proposes to codify in regulation specific standards governing a mortgagor's investment in property for which the mortgage is insured by the Federal Housing Administration (FHA). Specifically, this proposed rule would codify HUD's longstanding practice, authorized by statute, of allowing a mortgagor's investment to be derived from gifts by family members and certain organizations.

The standards would address a situation in which the mortgagor's investment is derived from a gift, loan, or other payment that is provided by any donor, including an individual or an organization, and would also specify prohibited sources for a mortgagor's investment. The proposed rule would establish that a prohibited source of downpayment assistance is a payment that consists, in whole or in part, of funds provided by any of the following parties before, during, or after closing of the property sale: (1) The seller, or any other person or entity that financially benefits from the transaction; or (2) any third party or entity that is reimbursed directly or indirectly by any of the parties listed in clause (1).

Extension of Public Comment Period

HUD's May 11, 2007, proposed rule provides for the public comment period to end on July 10, 2007. Due to significant interest in this rule, HUD is extending the public comment period, for an additional 30-day period, to August 10, 2007.

Dated: July 5, 2007.

Brian D. Montgomery,

Assistant Secretary for Housing—Federal Housing Commissioner.
