

FR 23954 (May 6, 2003) (*Assessment Policy Notice*). This clarification will apply to entries of subject merchandise during the period of review produced by companies included in these final results of reviews for which the reviewed companies did not know that the merchandise it sold to the intermediary (e.g., a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediary involved in the transaction. See *Assessment Policy Notice* for a full discussion of this clarification.

Cash Deposit Requirements

To calculate the cash deposit rate for each producer and/or exporter included in this administrative review, we divided the total dumping margins for each company by the total net value for that company's sales during the review period.

The following deposit rates will be effective upon publication of the final results of this administrative review for all shipments of wire rod from Trinidad and Tobago entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Mittal will be the rate established in the final results of this review, except if the rate is less than 0.5 percent and, therefore, *de minimis*, the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent final results in which that manufacturer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value ("LTFV") investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent final results for the manufacturer of the merchandise; and, (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous review conducted by the Department, the cash deposit rate will be 11.40 percent, the "All Others" rate established in the LTFV investigation. See *Wire Rod Orders*.

These cash deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR

351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and increase the subsequent assessment of the antidumping duties by the amount of antidumping duties reimbursed.

These preliminary results of review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: June 29, 2007.

Stephen J. Claeys,

Acting Assistant Secretary for Import Administration.

Notice of Extension of Time Limit for the Final Results of Antidumping Duty Administrative Review: Certain Forged Stainless Steel Flanges From India

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: July 6, 2007.

FOR FURTHER INFORMATION CONTACT: Fred Baker or Robert James, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-2924 or (202) 482-0649, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 7, 2007, the Department of Commerce (the Department) published the preliminary results of the 2005-2006 administrative review of the antidumping duty order on certain forged stainless steel flanges (stainless steel flanges) from India. See *Certain Forged Stainless Steel Flanges from India; Preliminary Results of Antidumping Duty Administrative Review, Partial Rescission and Intent to Rescind*, 72 FR 10142 (March 7, 2007). The review covers the period from February 1, 2005 through January 31, 2006, and three manufacturers/exporters of the subject merchandise to the United States: Echjay Forgings Pvt. Ltd., Shree Ganesh Forgings, Ltd., and Rollwell

Forge, Ltd. (Rollwell). In the preliminary results we stated that we would issue our final results for the antidumping duty review no later than 120 days after the date of publication of the preliminary results (i.e., July 5, 2007).

Extension of Time Limit for Final Results

The Tariff Act of 1930, as amended (the Act), at section 751(a)(3)(A), states that if it is not practicable to complete the review within the time specified, the administering authority may extend the 120-day period, following the date of the publication of the preliminary results, to issue its final results by an additional 60 days. Due to the complexity of the issues raised in this review, which necessitated issuing an additional supplemental questionnaire to Rollwell following issuance of the preliminary results, and the corresponding necessity to analyze the response and comments, the completion of the final results within the 120-day period is not practicable.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for issuing the final results of review by an additional 30 days until August 4, 2007. Because August 4, 2007, falls on a Saturday, the final results will be due on August 6, 2007, the next business day.

Dated: June 28, 2007.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.
