SUPPLEMENTARY INFORMATION:

Background

This document contains amendments to 26 CFR parts 1 and 301. On October 18, 2005, a notice of proposed rulemaking (REG-114371-05) was published in the **Federal Register** (70 FR 60475) proposing to treat qualified subchapter S subsidiaries (QSubs) (under section 1361(b)(3)(B) of the Internal Revenue Code (Code)) and certain other single-owner eligible entities (under §§ 301.7701-1 through 301.7701-3 of the Procedure and Administrative Regulations) that currently are disregarded as entities separate from their owners (disregarded entities) as separate entities for purposes of employment tax and related reporting requirements and for purposes of certain excise taxes reported on Forms 720, 730, 2290, and 11-C; excise tax refunds or payments claimed on Form 8849; and excise tax registrations on Form 637. Comments addressing employment taxes were received from the public in response to the notice of proposed rulemaking. No comments were received regarding the excise tax

provisions of the proposed regulations. No public hearing was requested or held. After consideration of all the comments, the proposed regulations are adopted as revised by this Treasury decision.

Summary of Comments and Changes Made

As provided in the proposed regulations, the final regulations provide that a disregarded entity is treated as a separate entity for purposes of employment taxes and related reporting requirements. The final regulations clarify that the separate entity is treated as a corporation for purposes of employment taxes and related reporting requirements. As provided in the proposed regulations, a disregarded entity continues to be disregarded for other Federal tax purposes. The final regulations clarify that an owner of a disregarded entity treated as a sole proprietorship is subject to taxes under the Self-Employment Contributions Act (SECA) (section 1401 et seq.). Additionally, the final regulations retain the example illustrating that an individual owner of a disregarded entity continues to be treated as self-employed for purposes of SECA taxes, and not as an employee of a disregarded entity for employment tax purposes.

Commentators suggested that the proposed regulations not be finalized, and that Notice 99-6 (1999-1 CB 321) be retained. Notice 99-6 provides that employment taxes and other employment tax obligations with respect to employees of a disregarded entity may be satisfied in one of two ways: (1) Calculation, reporting, and payment of all employment tax obligations with respect to employees of the disregarded entity by its owner (as though the employees of the disregarded entity are employed directly by the owner) and under the owner's name and taxpayer identification number; or (2) separate calculation, reporting, and payment of all employment tax obligations by each state law entity with respect to its employees under its own name and taxpayer identification number.

Commentators stated that the regulations would increase administrative burden for taxpayers that currently choose to pay and report employment taxes at the owner level as permitted by Notice 99-6. Commentators also suggested that if the regulations were finalized, complications could arise for states where state employment tax filings are required at the owner level. No written comments were received from any state.
