Proposed Project—Annual Appellant Climate Survey—0990-NEW—Office of Medicare Hearings and Appeals (OMHA).

Abstract: The first annual OMHA Appellant Climate Survey is a survey of Medicare beneficiaries, providers, and suppliers who had a hearing before an Administrative Law Judge (ALJ) at the Office of Medicare Hearings and Appeals (OMHA). Appellants dissatisfied with the outcome of their Level 2 appeal may request a hearing before an OMHA ALJ. The Appellant Climate Survey will be used to measure appellant satisfaction with their OMHA appeals experience, as opposed to their satisfaction with a specific ruling.

OMHA was established by the Medicare Prescription Drug, Improvement, and Modernization Act (MMA) of 2003 (Pub. L. 108-173) and became operational on July 1, 2005. The MMA legislation and implementing regulations issued on March 8, 2007 instituted a number of changes in the appeals process. The MMA legislation also directed the U.S. Department of Health and Human Services to consider the feasibility of conducting hearings using telephone or video-conference technologies. In carrying out this mandate, OMHA makes extensive use of video-teleconferencing to provide appellants with a vast nationwide network of access points for hearings close to their homes. The survey will gauge appellants' satisfaction with this new service along with the overall appeals experience. The OMHA survey will be conducted annually over a three-year period, beginning in FY08. Results from the surveys will be used to gauge progress made in increasing satisfaction among appellants.

Public Information Collection Requirements Submitted to the Office of Management and Budget (OMB); Correction

AGENCY: Centers for Medicare & Medicaid Services (CMS), HHS.

ACTION: Correction of notice.

SUMMARY: This document corrects a technical error in the notice [Document Identifier: CMS-10232] entitled "State Plan Template to Implement Section 6062 of the Deficit Reduction Act (DRA) of 2005" that was published in the December 7, 2007 **Federal Register**.

FOR FURTHER INFORMATION CONTACT: Melissa Musotto, (410) 786-6962.

SUPPLEMENTARY INFORMATION:

I. Background

In the FR Doc. E7-23746 of December 7, 2007 (72 FR 69218), we published a Paperwork Reduction Act notice requesting a 30-day public comment period for the document entitled "State Plan Template to Implement Section 6062 of the Deficit Reduction Act of 2005."

In the date December 7, 2007 notice, we inadvertently included information pertaining to another new collection (CMS-10251). Therefore, we are correcting that error in this notice.

II. Correction of Error

In FR Doc. E7-23746 of December 7, 2007 (72 FR 69218), make the following correction:

On page 69218, first column, second full paragraph beginning with the phrase "1. Type of Information Collection" and ending with figure "600" is corrected to read as follows:

"1. *Type of Information Collection Request:* New Collection; *Title of Information Collection:* State Plan Template to Implement Section 6062 of the Deficit Reduction Act (DRA) of 2005; *Use:* The DRA provides States with numerous flexibilities in operating their State Medicaid Programs. Section 6062 of the DRA (Opportunity for families of Disabled Children to

Purchase Medicaid Coverage for Such Children) allows States the opportunity to provide Medicaid benefits to disabled children who would otherwise be ineligible because of family income that is above the State's highest Medicaid eligibility standards for children. It specifically allows families with disabled children to "buy-in" to Medicaid, and prevents them from having to stay impoverished, become impoverished, place their children in out-of-home placements, or simply give up custody of their child in order to access needed health care for their disabled children.

Under the DRA, States must submit a SPA to CMS to effectuate this change to their Medicaid programs. CMS will provide a State Medicaid Director letter providing guidance on this provision and the associated SPA template for use by States to modify their Medicaid State Plans if they choose to implement this provision. Providing the State with this SPA template will reduce State burden significantly. *Form Numbers:* CMS-10232 (OMB #: 0938-NEW); *Frequency:* Reporting—Once; *Affected Public:* State, Local, or Tribal Governments; *Number of Respondents:* 56; *Total Annual Responses:* 30; *Total Annual Hours:* 600.

Dated: December 26, 2007.

Director, Regulations Development Group, Office of Strategic Operations and Regulatory Affairs.

This notice for family violence prevention and services grants to Coalitions serves two purposes. I. Description

Legislative Authority: Title III of the Child Abuse Amendments of 1984 (Pub L. 98-457, 42 U.S.C. 10401 *et seq.*) is entitled the "Family Violence Prevention and Services Act" (FVPSA). FVPSA was first implemented in Fiscal Year (FY) 1986. FVPSA was amended again in 1996 by Public Law 104-235, the "Child Abuse Prevention and Treatment Act (CAPTA);" in 2000 by Public Law 106-386, the "Victims of Trafficking and Violence Protection Act," and amended further by Public Law 108-36, the "Keeping Children and Families Safe Act of 2003." FVPSA was most recently amended by Public Law 109-162, the "Violence Against Women and Department of Justice Reauthorization Act of 2005" as amended by Public Law 109-271, which was enacted on August 17, 2006.
