#### **Heavy Forged Hand Tools, Finished or Unfinished, With or Without Handles, From the People's Republic of China: Extension of Time Limit for the Preliminary Results of the Antidumping Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce ("the Department") is extending the time limit for the preliminary results of the review of Heavy Forged Hand Tools, Finished or Unfinished, With or Without Handles ("HFHTs") from the People's Republic of China ("PRC"). This review covers the period February 1, 2006, through January 31, 2007.

**DATES:** *Effective Date:* November 9, 2007.

**FOR FURTHER INFORMATION CONTACT:** Javier Barrientos, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington DC 20230; telephone: (202) 482-2243.

#### **Statutory Time Limits**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department of Commerce ("the Department") to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary determination is published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a

maximum of 365 days after the last day of the anniversary month.

#### **Background**

On March 28, 2007, the Department published a notice of initiation of a review of HFHTs from the PRC covering the period February 1, 2006, through January 31, 2007. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 72 FR 14516 (March 28, 2007). The preliminary results of this administrative review are currently due no later than October 31, 2007.

#### **Extension of Time Limit of Preliminary Results**

The Department determines that completion of the preliminary results of this review within the 245-day period is not practicable because of: (1) The need to analyze and issue supplemental questionnaires regarding Respondent's claim of no shipments, U.S. Customs and Border Protection ("CBP") data, and Petitioners' submissions related thereto; and, (2) the current case workload and other statutory deadlines. Therefore, the Department is extending the time limit for completion of the preliminary results by 120 days.

Given the number and complexity of issues in this case and the current case workload, and in accordance with section 751(a)(3)(A) of the Act, we are extending the time period for issuing the preliminary results of review by 120 days until February 28, 2008. The final results continue to be due 120 days after the publication of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: October 26, 2007.

**Stephen J. Claeys,**

*Deputy Assistant Secretary for Import Administration.*

### **International Trade Administration**

[A-583-831]

#### **Stainless Steel Sheet and Strip in Coils From Taiwan; Notice of Extension of Time Limit for Final Results of Antidumping Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* November 9, 2007.

#### **FOR FURTHER INFORMATION CONTACT:**

Elizabeth Eastwood, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-3874.

#### **SUPPLEMENTARY INFORMATION:**

#### **Background**

On August 3, 2007, the Department of Commerce (the Department) published in the **Federal Register** the preliminary results and partial rescission of the antidumping duty administrative review of stainless steel sheet and strip in coils from Taiwan covering the period July 1, 2005, through June 30, 2006. *See Stainless Steel Sheet and Strip in Coils from Taiwan: Preliminary Results and Rescission in Part of Antidumping Duty Administrative Review*, 72 FR 43236 (Aug. 3, 2007). The final results for this administrative review are currently due no later than December 3, 2007, the next business day after 120 days from the date of publication of the preliminary results of review.

#### **Extension of Time Limit for Final Results**

Section 751(a)(3)(A) of Tariff Act of 1930, as amended (the Act), requires the Department to issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the deadline for the final results to a maximum of 180 days.

We determine that it is not practicable to complete this administrative review within the original time limits mandated by section 751(a)(3)(A) of the Act because we require additional time to properly consider the complex issues raised by interested parties in their case briefs. Therefore, we are extending the time limit for completion of the final results of this administrative review by 60 days, in accordance with section 751(a)(3)(A) of the Act. Accordingly, the final results are now due no later than January 30, 2008.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: November 5, 2007.
