April 25, 2007.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments regarding (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), OIRA_Submission@OMB.EOP.GOV or fax (202) 395-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602. Comments regarding these information collections are best assured of having their full effect if received within 30 days of this notification. Copies of the submission(s) may be obtained by calling (202) 720-8958.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to

the collection of information unless it displays a currently valid OMB control number.

Animal and Plant Health Inspection Service

Title: Importation of Mangoes from the Philippines.

OMB Control Number: 0579-0172.

Summary of Collection: The United States Department of Agriculture is responsible for preventing plant pests and noxious weeds from entering the United States. Under the Plant Protection Act (7 U.S.C. 7711-7714), the Secretary of Agriculture, either independently or in cooperation with the States, is authorized to carry out operations or measures to detect, eradicate, suppress, control, prevent, or retard the spread of plant pests new to the United States or not known to be widely distributed throughout the United States. The regulations in "Subpart—Fruits and Vegetables" (7 CFR 319.56 through 319.56-8) allow the importation of mangoes from Guimaras Island in the Republic of the Philippines into the United States under certain conditions. The regulations require the use of box marking to indicate the origin of the fruit, phytosanitary certificate to confirmed that the fruit has been grown and treated in accordance with the regulations and a trust fund agreement between the Republic of the Philippines Department of Agriculture and the U.S. Department of Agriculture's Animal and Plant Health Inspection Service (APHIS) to cover the Agency's participation in the treatment and inspection activities in the Philippines that are required for the importation of mangoes.

Need and Use of the Information: APHIS will collect information to verify that the commodity was treated adequately with heat to eliminate the pest risk and to verify that the temperature remained at the appropriate level for the entire treatment period, thereby destroying any fruit flies present in the commodity.

Description of Respondents: Business or other for-profit; Farms; Federal Government.

Number of Respondents: 1,827.

Frequency of Responses: Reporting; On occasion.

Total Burden Hours: 121.

Animal and Plant Health Inspection Service

Title: Importation of Unshu Oranges.

OMB Control Number: 0579-0173.

Summary of Collection: The Plant Protection Act (7 U.S.C. 7701-7772) authorizes the Secretary of Agriculture to regulate the importation of plants, plant products, and other articles into the United States to prevent the introduction of plant pest and noxious weeds. The regulations in "Subpart-Citrus Fruit" (7 CFR 319.28) allow the importation of unshu oranges from Kyushu Island and Honshu Island, Japan, into the United States under certain conditions. A certificate must accompany the unshu oranges from the Japanese plant protection service certifying that the fruit is apparently free of citrus canker.

Need and Use of the Information: The Animal and Plant Health Inspection (APHIS) will collect information using form PPQ 203, Foreign Site Certificate of Inspection and/or Treatment. The information from the form will be used to certify that unshu oranges from Japan are free of citrus canker and to also ensure that the oranges are not imported into citrus-producing areas of the United States such as Florida and California.

Description of Respondents: State, Local or Tribal Government.

Number of Respondents: 23.

Frequency of Responses: Reporting; On occasion.

Total Burden Hours: 5,535.
