RIN: 0625-AA72

Changes in the Insular Possessions Watch, Watch Movement and Jewelry Programs 2006

AGENCIES: Import Administration, International Trade Administration, Department of Commerce; Office of Insular Affairs, Department of the Interior.

ACTION: Final rule.

SUMMARY: The Departments of Commerce and the Interior (the Departments) amend their regulations governing watch duty-exemption allocations and the watch and jewelry duty-refund benefits for producers in the United States insular possessions (the U.S. Virgin Islands, Guam, American Samoa and the Commonwealth of the Northern Mariana Islands). The rule amends certain regulations by updating the maximum total value of watch components per watch that are eligible for duty-free entry into the United States under the insular program, further clarifying the definition of creditable and non-creditable wages and fringe benefits, providing more details about the calculation of mid-year and annual duty-refund and verification process, and making minor editorial changes.

DATES: This rule is effective May 7, 2007.

FOR FURTHER INFORMATION CONTACT: Faye Robinson, (202) 482-3526, same address as above.

SUPPLEMENTARY INFORMATION: The Departments of Commerce and the Interior (the Departments) issue this rule to amend their regulations governing watch duty-exemption allocations and the watch and jewelry duty-refund benefits for producers in the United States insular possessions (the U.S. Virgin Islands, Guam, American Samoa and the Commonwealth of the Northern Mariana Islands). The background information and purpose of this rule is found in the preamble to the proposed rule (72 FR 3083, January 24, 2007) and is not repeated here.

Amendments

We amend § 303.14(b)(3) by raising the maximum total value of watch components per watch and watch movement that are eligible for duty-free entry into the U.S., from \$800 to \$3,000 per watch and from \$35 to \$300 per watch movement due to recent increases in the price of gold.

The rule amends §§ 303.1(c) and 303.15(b) to reflect that the duty-refunds may now be obtained on any articles that entered the customs territory of the United States duty paid except for any article containing a material which is the product of a country to which column 2 rates of duty apply, pursuant to Public Law 108-429. The rule further amends § 303.1(c) by removing the erroneous reference to “Headnote 6” and adding “additional U.S. note 5 to chapter 91 of the HTSUS” in its place.

We also amend § 303.2(a)(8) to correct a minor typographical error by adding the closing parenthesis at the end of the sentence and amend § 303.2(a)(10) by changing “watch components” to “watch movements” to more accurately define the kind of component.

Further, we amend §§ 303.2(a)(13), 303.2(a)(13)(ii), 303.2(a)(13)(ii)(A), 303.2(a)(13)(ii)(B), 303.2(a)(14), 303.2(a)(14)(ii), 303.2(a)(14)(ii)(A), 303.2(a)(14)(ii)(B), 303.16(a)(9), 303.16(a)(9)(ii), 303.16(a)(9)(ii)(A), 303.16(a)(9)(ii)(B), 303.16(a)(10), 303.16(a)(10)(ii), 303.16(a)(10)(ii)(A) and 303.16(a)(10)(ii)(B) to further clarify which wages, health insurance, life insurance and pension benefits are creditable in the Departments’ calculation of the duty-refund benefits and which are not.

The rule also amends §§ 303.16(a)(9)(i)(C) and (a)(10)(i)(D) by clarifying that two program producers may, under certain circumstances, work on the same unit of jewelry and receive creditable wages and fringe benefits proportionally if both producers

demonstrate that they have met all the qualifications of the regulations and have records sufficient for the Departments’ verification. However, a non-program jewelry producer may not work together with a program jewelry producer on the manufacturing of a single article of jewelry and receive creditable wages and benefits.

Further the rule amends §§ 303.12(a)(1), 303.14(c), 303.19(a)(1) and 303.20(b) to provide further details about the calculation of the mid-year duty-refund and annual duty-refund. The rule also modifies the criteria for the calculation of the annual duty-refund to include health insurance, life insurance and pension benefits, pursuant to Public Law 108-429 and modifies the criteria for the calculation of the mid-year duty refund.

We amend the heading to § 303.5(b) to reflect that only verified data is used in the calculation of the duty-exemptions and duty-refunds. Also, we amend §§ 303.5(b)(5) and 303.17(b)(6) to clarify that the payroll information that should be available for use in the verification includes time cards for each employee. The rule amends §§ 303.5(c) and 303.17(c) to specify that all data must be available at the time of the annual verification and that the Departments will not consider further data after the verification for the particular year has been completed.

The rule amends §§ 303.13(b) and 303.21(b) by changing “post office address” to “address” because some producers might not have post office addresses and express mail carriers often will not deliver to a post office address.

Finally, the rule amends §§ 303.2(b)(5) and 303.16(b)(3) by adding “duty paid” so it will be clearer that the refund of duties is specifically on items that entered into the Customs territory of the United States “duty paid”.

ITA received three comments in response to the proposed rule and request for comments. The commenters supported the provisions that were proposed and suggested no changes. As a result we are adopting the proposed regulations without change.

Administrative Law Requirements

Regulatory Flexibility Act. In accordance with the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, the Chief Counsel for Regulation at the Department of Commerce has certified to the Chief Counsel for Advocacy, Small Business Administration, that this rule would not have a significant economic impact on a substantial number of small entities.
