I. Abstract

The International Trade Administration's Office of Energy and Environmental Industries (OEEI) is the principal resource and key contact point within the U.S. Department of Commerce for American energy and environmental technology companies. It's goal is to facilitate and increase exports of energy and environmental technologies, goods and services by providing support and guidance to U.S. exporters. One aspect of increasing

Carbazole Violet Pigment 23 From India: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* August 22, 2007.

FOR FURTHER INFORMATION CONTACT:

Yang Jin Chun or Richard Rimlinger, AD/CVD Operations, Office 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-5760 and (202) 482-4477, respectively.

SUPPLEMENTARY INFORMATION:

Background

At the request of an interested party, the Department of Commerce (the Department) initiated the administrative review of the antidumping duty order on carbazole violet pigment 23 from India for the period December 1, 2005, through November 30, 2006. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 72 FR 5005 (February 2, 2007). The preliminary results of the review are currently due no later than September 4, 2007.

Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary determination is published. If it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days after the last day of the anniversary month.

We determine that it is not practicable to complete the preliminary results of this review within the original time limit because we need additional time to obtain and analyze information regarding constructed value. Therefore, we are extending the time period for issuing the preliminary results of this

review by 45 days until October 19, 2007.

This notice is published in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: August 16, 2007.

Gary Taverman,

Acting Deputy Assistant Secretary for Import Administration.

Certain Frozen Warmwater Shrimp From the People's Republic of China: Partial Rescission of the 2006/2007 Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* August 22, 2007.

FOR FURTHER INFORMATION CONTACT: Anya Naschak, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-6375.

Background

On April 6, 2007, the Department of Commerce ("the Department") published in the **Federal Register** a notice of initiation listing 105 firms for which it received timely, sufficient, requests for an administrative review of this antidumping duty order. See Notice of Initiation of Administrative Reviews of the Antidumping Duty Orders on Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam and the People's Republic of China, 72 FR 17095 (April 6, 2007) ("Initiation Notice"). The period of review ("POR") is February 1, 2006, through January 31, 2007.

On July 5, 2007, as clarified in submissions dated July 13, 2007, and July 30, 2007, the Louisiana Shrimp Association ("LSA") withdrew its request for an administrative review of the companies listed in Attachment I to this notice. The LSA's clarifications of its withdrawal requests by submissions dated July 13, 2007, and July 30, 2007, are considered timely because the Department requested clarification on the LSA's July 5, 2007, withdrawal requests.

Partial Rescission

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within ninety days of the date of publication of notice of initiation of the requested review, and may extend this time limit if the Department decides that it is reasonable to do so. See 19 CFR 351.213(d)(1).

For seven of the companies for which the LSA withdrew its request for review, the Department has on the record of this proceeding requests for review by other parties. Therefore, the Department is not rescinding this review for: Allied Pacific (H.K.) Co., Ltd., Allied Pacific Food (Dalian) Co., Ltd., Asian Seafoods (Zhanjiang) Co., Ltd., Hai Li Aquatic Co., Ltd. Zhao An, Fujian, King Royal Investments Ltd., Zhanjiang Allied Pacific Aquaculture Co., Ltd., and Zhanjiang Evergreen Aquatic Product Science and Technology Co., Ltd. Further, the LSA has not withdrawn its request for review for Guolian Aquatic Products or Yelin Enterprise Co., Ltd. Hong Kong; the Department is not rescinding the review with respect to these entities.

Because the LSA's withdrawal of requests for review was timely and no other party requested a review of the companies listed in Attachment II to this notice, in accordance with 19 CFR 351.213(d)(1) we are rescinding this review with respect to these entities.

For those companies that submitted information stating that they did not have any shipments of subject merchandise during the POR, and for which there remains an active request for review, we will evaluate the no-shipment information and may rescind the review for such companies at a later date. With respect to the issues raised by the LSA on the identity of Guolian Aquatic Products and Zhanjiang Guolian Aquatic Products Co., Ltd., the Department will further consider these issues in the preliminary results of review, currently scheduled for October 31, 2007.

Accordingly, the following companies remain subject to this administrative review: Allied Pacific (H.K.) Co. Ltd., Allied Pacific Aquatic Products (Zhanjiang) Co., Ltd., Allied Pacific Food (Dalian) Co., Ltd., Asian Seafoods (Zhanjiang) Co., Ltd., Guolian Aquatic Products, Hai Li Aquatic Co., Ltd. Zhao An, Fujian/Haili Aquatic Co., Ltd. Zhaoan Fujian, King Royal Investments Ltd., Yelin Enterprise Co., Ltd. Hong Kong, Zhanjiang Allied Pacific Aquaculture Co., Ltd., and Zhanjiang

Evergreen Aquatic Product Science and Technology Co., Ltd.

Assessment Rates

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries. For those companies for which this review has been rescinded and which have a separate rate, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(2). The Department intends to issue assessment instructions to CBP 15 days after the date of publication of this notice. For those companies for which this review has been rescinded but do not have a separate rate at this time (and thus remain part of the PRC-wide entity), the Department will issue assessment instructions upon the completion of this administrative review.

Notification to Importers

This notice serves as a final reminder to importers for whom this review is being rescinded, as of the publication date of this notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding APOs

This notice also serves as a reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Act and 19 CFR 351.213(d)(4).
