

This product is recommended for use by individuals who have been trained in the administration of screening devices.

Description of Testing System

Provide the principles of the procedure for performing the alcohol screening assay.

E.g.: This product uses (alcohol dehydrogenase, infrared technology, etc.) to perform the test.

Chemical Reaction Sequence

Describe the chemical reaction sequence, if applicable.

Reagents: List the concentration, strength, and composition of the reactive ingredients.

List the non-reactive ingredients.

Reagent Preparation and Storage

Provide instructions for preparing the reagents, if applicable.

Provide instructions for storing the reagents, if applicable.

Provide any signs of deterioration of the reagents, if applicable.

Provide the reagents' shelf life and opened expiration dating, if applicable.

E.g.: Unopened tests are stable until the date printed on the product container when stored at 22–28° C. Opened test must be used at once.

Provide a caution not to use the reagents beyond the expiration dating.

Precautions

1. List any reagents that may be hazardous such as caustic compounds, sodium azide or other hazardous reagents and instructions for disposal, if applicable.

2. Provide warning to user to treat all samples as potentially infective. Include instructions for handling and disposal of the sample.

Specimen Collection

Provide instructions for collecting and handling the sample.

Provide criteria for specimen rejection, if applicable.

Calibration

Disposable tests are pre-calibrated. No additional calibration is required.

Reusable (Instrumented) tests require calibration.

Provide information regarding how calibrations are to be conducted, if applicable, including the number and concentration of calibrators, and the frequency of calibration.

Provide instructions for calibration and recalibration.

Provide the criteria for acceptability of calibration.

Test Procedure (Disposable)

Provide adequate step-by-step instructions for performing the test and determining the results.

Test Procedure (Re-Usable/Instrumented)

Provide adequate step-by-step instruction for performing the test.

Provide the installation procedures and, if applicable, any special requirements.

Provide the space and ventilation requirements.

Provide the description of the required frequency of equipment maintenance and function checks.

Provide the instructions for any remedial action to be taken when the equipment performs outside of operating range.

Provide any operational precautions and limitations.

Provide instructions for the protection of equipment and instrumentation from fluctuations or interruptions in electrical current that could adversely affect test results and reports, if applicable.

Quality Control (QC)

Disposable Tests

If applicable, the function and stability of the test can be determined by the examination of the procedural "built in" controls contained in the product. If these controls are not working, the test is invalid and must be repeated.

Disposable/Instrumented Devices

If external quality control materials are used, provide number, type, matrix and concentration of the QC materials.

Provide directions for performing quality control procedures.

Provide an adequate description of the remedial action to be taken when the QC results fail to meet the criteria for acceptability.

Provide directions for interpretation of the results of quality control samples.

Results

Describe how the user obtains the test results, from an instrument read-out, printout, etc.

Describe the results in terms of blood alcohol concentration.

Describe what concentration indicates a positive result and what concentration indicates a negative result.

Limitations

List the substances or factors that may interfere with the test and cause false results including technical or procedural errors.

Dynamic Range

Provide the operating range of the product.

Precision and Accuracy

Only devices that meet the precision and accuracy of these Model Specifications will be included on NHTSA's Conforming Products List for alcohol screening devices.

Specificity

List the substances that have been evaluated with your product that do or do not interfere at the concentration indicated.

References

Provide pertinent bibliography.

Technical Assistance

List an 800 number the user may contact for further information or technical assistance.

Appendix B—Guidelines for Re-testing of Modified Screening Devices

Manufacturers contemplating revisions to an alcohol screening device listed on the

Conforming Products List (CPL) are advised that the revision may affect the status of the device on the CPL. The manufacturer should inform NHTSA of the contemplated change so that a judgment can be made whether or not re-testing the revised alcohol screening device is necessary. The following lists the type of information NHTSA uses in determining the necessity to re-test an alcohol screening device, and is provided as guidance to manufacturers:

- Manufacturer and Model Name.
- Nature and reason for change.
- Scope of change (e.g., Will existing devices be retrofitted? Will the change apply to some users but not others?)
- Will the change affect performance of the device with regards to the Model Specifications? (Precision and accuracy, blank reading, temperature operations, or vibrations.)
- How will the change(s) be documented for the benefit of the user? (e.g., Will the change(s) be documented in service bulletins and/or service manuals? If not, why not?)

If necessary for clarity, drawings of the listed and changed device may also be helpful in the NHTSA's deliberations.

If, upon review of information provided by a manufacturer, it is determined that re-testing is not warranted, a statement to that effect will be included in the next scheduled CPL update.

Additionally, NHTSA reserves the right to re-test any device on the open market to determine continued compliance and performance in accordance with these Model Specifications. Devices found not to comply with or perform in accordance with the Model Specifications are subject to the investigation provisions stated above in Section II, Procedures.

(Authority: 23 U.S.C. 403; 49 CFR 1.50; 49 CFR Part 501).

Issued on: December 14, 2007.

Marilena Amoni,

Associate Administrator for the Office of Research and Program Development.

BILLING CODE 4910–59–P

DEPARTMENT OF TRANSPORTATION

Surface Transportation Board

[STB Docket No. AB–33 (Sub–No. 246X)]

Union Pacific Railroad Company— Abandonment Exemption—in Walker County, TX

Union Pacific Railroad Company (UP) has filed a notice of exemption under 49 CFR Part 1152 Subpart F—*Exempt Abandonments* to abandon a 1.67-mile line of railroad known as the Huntsville Industrial Lead, extending from milepost 5.0 to milepost 6.67 near Huntsville, in Walker County, TX.¹ The

¹ By pleading filed December 3, 2007, UP corrected the line description to read milepost 5.0

line traverses United States Postal Service Zip Code 77340.

UP has certified that: (1) No local traffic has moved over the line for at least 2 years; (2) there is no overhead traffic on the line; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation Board or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7 (environmental reports), 49 CFR 1105.8 (historic reports), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under *Oregon Short Line R. Co.—Abandonment—Goshen*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on January 15, 2008, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,² formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),³ and trail use/rail banking requests under 49 CFR 1152.29 must be filed by December 26, 2007. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by January 3, 2007, with: Surface Transportation Board, 395 E Street, SW., Washington, DC 20423-0001.

A copy of any petition filed with the Board should be sent to UP's representative: Mack H. Shumate, Jr., Senior General Attorney, 101 North Wacker Drive, Room 1920, Chicago, IL 60606.

instead of milepost 5.05 as listed in its filing of November 26, 2007.

² The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Section of Environmental Analysis (SEA) in its independent investigation) cannot be made before the exemption's effective date. See *Exemption of Out-of-Service Rail Lines*, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

³ Each OFA must be accompanied by the filing fee, which currently is set at \$1,300. See 49 CFR 1002.2(f)(25).

If the verified notice contains false or misleading information, the exemption is void *ab initio*.

UP has filed a combined environmental and historic report addressing the effects, if any, of the abandonment on the environment and historic resources. SEA will issue an environmental assessment (EA) by December 21, 2007. Interested persons may obtain a copy of the EA by writing to SEA (Room 1100, Surface Transportation Board, Washington, DC 20423-0001) or by calling SEA, at (202) 245-0305. [Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1-800-877-8339.] Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), UP shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by UP's filing of a notice of consummation by December 14, 2008, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available on our Web site at <http://www.stb.dot.gov>.

Decided: December 7, 2007.

By the Board, David M. Konschnik, Director, Office of Proceedings.

Vernon A. Williams,
Secretary.

BILLING CODE 4915-01-P

DEPARTMENT OF THE TREASURY

Open Meeting of the Financial Literacy and Education Commission

AGENCY: Departmental Offices, Treasury.

ACTION: Notice of open meeting.

SUMMARY: This notice announces a meeting of the Financial Literacy and Education Commission, established by the Financial Literacy and Education Improvement Act (Title V of the Fair and Accurate Credit Transactions Act of 2003).

DATES: The thirteenth meeting of the Financial Literacy and Education Commission will be held on Tuesday, January 15, 2008, beginning at 10 a.m.

ADDRESSES: The Financial Literacy and Education Commission meeting will be held in the Cash Room at the Department of the Treasury, located at 1500 Pennsylvania Ave., NW., Washington, DC. To be admitted to the Treasury building, an attendee must RSVP by providing his or her name, organization, phone number, date of birth, Social Security number and country of citizenship to the Department of the Treasury by e-mail at: FLECrsvp@do.treas.gov, or by telephone at: (202) 622-5770 (not a toll-free number) not later than 5 p.m. on Wednesday, January 9, 2008.

FOR FURTHER INFORMATION CONTACT: For additional information, contact Tom Kurek by e-mail at:

thomas.kurek@do.treas.gov or by telephone at (202) 622-0204 (not a toll-free number). Additional information regarding the Financial Literacy and Education Commission and the Department of the Treasury's Office of Financial Education may be obtained through the Office of Financial Education's Web site at: <http://www.treas.gov/financialeducation>.

SUPPLEMENTARY INFORMATION: The Financial Literacy and Education Improvement Act, which is Title V of the Fair and Accurate Credit Transactions Act of 2003 (the "FACT Act") (Pub. L. 108-159), established the Financial Literacy and Education Commission (the "Commission") to improve financial literacy and education of persons in the United States. The Commission is composed of the Secretary of the Treasury and the head of the Office of the Comptroller of the Currency; the Office of Thrift Supervision; the Federal Reserve; the Federal Deposit Insurance Corporation; the National Credit Union Administration; the Securities and Exchange Commission; the Departments of Education, Agriculture, Defense, Health and Human Services, Housing and Urban Development, Labor, and Veterans Affairs; the Federal Trade Commission; the General Services Administration; the Small Business Administration; the Social Security Administration; the Commodity Futures Trading Commission; and the Office of Personnel Management. The Commission is required to hold meetings that are open to the public every four months, with its first meeting occurring within 60 days of the enactment of the FACT Act. The FACT Act was enacted on December 4, 2003.

The thirteenth meeting of the Commission, which will be open to the public, will be held in the Cash Room at the Department of the Treasury,
