

**DEPARTMENT OF JUSTICE****Notice of Lodging of Consent Decree Under the Clean Air Act (CAA)**

In accordance with 28 CFR 50.7, notice is given that on July 20, 2007, the proposed Consent Decree in *United States v. E.I. du Pont de Nemours & Co.*, Civil Action Number 1:07CV558, was lodged with the United States District Court for the Southern District of Ohio.

In this action, the United States alleges that E.I. du Pont de Nemours & Co. (DuPont) violated these provisions of the Clean Air Act: standards of performance for new stationary sources, 42 U.S.C. 7411, also known as New Source Performance Standards ("NSPS") preconstruction requirements, 42 U.S.C. 7475, also known as Prevention of Significant Deterioration ("PSD") requirements; and permit requirements, 42 U.S.C. 7503, also known as Title V requirements. The claims relate to four DuPont sulfuric acid manufacturing plants that are located in Darrow, La.; North Bend, Ohio; Richmond, Va., and Wurtland, Ky.

The Consent Decree requires DuPont to pay a civil penalty of \$4,125,000 of which \$2,100,000 (60 percent) will be paid to the United States and the rest will be divided among the State of Louisiana, the State of Ohio, and the Commonwealth of Virginia. The Consent Decree further requires DuPont, at all four plants, to meet certain emission limits (for sulfur dioxide and acid mist) and to comply with applicable NSPS requirements (including performance testing and monitoring). At the plant in Louisiana, DuPont will comply with the new emission limits by installing pollution control technology. At each of the other three plants, the Consent Decree provides DuPont an option to install the required technology or to cease operations and surrender the air pollution permits and/or emissions credits.

For a period of thirty (30) days from the date of this publication, the Department of Justice will receive comments relating to the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to [pubcomment-ees.enrd@usdoj.gov](mailto:pubcomment-ees.enrd@usdoj.gov) or mailed to P.O.
