### Notice of Lodging of Consent Decree Under the Clean Water Act

Notice is hereby given that on November 1, 2007, a proposed "Agreement and Order Regarding Modification of the Consent Decree with Respect to TESI" in *U.S. v. Acadia Woods Add. #2 Sewer Co.*, Civil Action No. 6:98-0687, was lodged with the United States District Court for the Western District of Louisiana.

In this action, the United States sought injunctive relief and civil penalties under the Clean Water Act ("CWA"), 33 U.S.C. 1251 *et seq.*, in connection with sewage treatment plants ("STPs") in Louisiana owned and operated by Johnson Properties, Inc. On December 21, 2000, the "Consent Decree with Respect to TESI" was entered ("the 2000 Consent Decree"). On December 23, 2000, Total Environmental Solutions, Inc. ("TESI") purchased the

STPs at issue in the civil action. The 2000 Consent Decree provided a plan and schedule whereby TESI would bring the STPs it purchased into compliance with the CWA. The proposed Agreement and Order Regarding Modification of the Consent Decree with Respect to TESI modifies the plan and schedule whereby TESI would bring the STPs it purchased into compliance with the CWA. The proposed Agreement and Order Regarding Modification of the Consent Decree with Respect to TESI also modifies the stipulated penalties provisions of the 2000 Consent Decree.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Agreement and Order Regarding Modification of the Consent Decree with Respect to TESI. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to [pubcomment-ees.enrd@usdoj.gov](mailto:pubcomment-ees.enrd@usdoj.gov) or mailed to P.O. ### Notice of Lodging of Two Consent Decrees

Notice is hereby given that on October 23, 2007, two proposed Consent Decrees were lodged with the United States District Court for the Central District of California. One Consent Decree was lodged in the case *United States v. Andruss Family Trust, et al.*, Civil Action No. 2:07-cv-06873 FMC (C.D. Cal.), and another Consent Decree was lodged in the case *United States v. Abercrombie, et al.*, Civil Action No. 2:07-cv-06870 ABC (C.D. Cal.).

In both cases the United States of America ("United States"), on behalf of the Administrator of the United States Environmental Protection Agency ("EPA"), and the California Department of Toxic Substances Control ("Department"), filed a complaint pursuant to Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. 9607, seeking reimbursement of response costs incurred or to be incurred for response actions taken in connection with the release or threatened release of hazardous substances at the South El Monte Operable Unit of the San Gabriel Valley Area 1 Superfund Site in South El Monte, Los Angeles County, California (the "South El Monte O.U.>").

Under the proposed Consent Decree in *Abercrombie*, 26 potentially responsible parties with respect to the South El Monte O.U. will pay a total of about \$3.2 million (collectively). The settlement amounts are based on each settling defendant's ability to pay. In exchange for the payment, the plaintiffs covenant not to sue each settling defendant under Section 106 or 107 of CERCLA with respect to the South El Monte O.U.

Under the proposed Consent Decree in *Andruss*, there are 13 settling defendants. In exchange for prior payments of over \$5.8 million that have been made by these 13 settling defendants in reimbursement of costs incurred with respect to the interim remedy for the South El Monte O.U., the plaintiffs covenant not to sue each
