

lands from the use applied for in the application. The segregative effect of this Notice will terminate upon issuance of a patent or other document of conveyance for such lands, upon publication in the **Federal Register** of a termination of the segregation, or April 6, 2009, whichever occurs first, unless extended by the BLM State Director in accordance with 43 CFR 2611.1-2(d), prior to the termination date.

Interested parties may submit comments to the District Manager, BLM Farmington Field Office, 1235 La Plata Highway, Suite A, Farmington, New Mexico 87401 until 45 days after the date of publication of this notice in the **Federal Register**. Any adverse comments will be reviewed by the State Director who may sustain, vacate, or modify this realty action. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. In the absence of any adverse comments, this realty action will become the final determination of the Department of the Interior. The BLM may accept or reject any or all offers, or withdraw any land or interest in the land from sale, if, in the opinion of the authorized officer, consummation of the sale would not be fully consistent with FLPMA, or other applicable laws.

The lands will not be offered for sale until at least 60 days after the date of publication of this notice in the **Federal Register**.

National Park Service

Draft General Management Plan/ Environmental Impact Statement, John Day Fossil Beds National Monument, Grant and Wheeler Counties, OR; Notice of Termination of the Environmental Impact Statement

SUMMARY: The National Park Service is terminating preparation of an Environmental Impact Statement (EIS) for the General Management Plan, John Day Fossil Beds, Oregon. A Notice of Intent to prepare an EIS for the John Day Fossil Beds National Monument General Management Plan was published in the **Federal Register** on September 24, 2004 (Vol. 69, No. 185, Pages 57362-63). Based in part on the minimal nature of public response to the Notice of Intent, the National Park Service has since determined that an Environmental Assessment rather than an EIS is the appropriate environmental
