## DEPARTMENT OF ENERGY

### Federal Energy Regulatory Commission

[Docket No. CP07–52–000]

#### Downeast LNG, Inc.; Notice of Technical Conference

April 2, 2007.

On Wednesday, April 25, 2007, at 9 a.m. (EDT), staff of the Office of Energy Projects will convene a cryogenic design and technical conference regarding the proposed Downeast LNG import terminal. The cryogenic conference will be held at the Calais Motor Inn at 663 Main Street, Calais, Maine 04619. For Calais Motor Inn details call 1–800–439–5531.

The conference will review the design of the LNG storage tanks and facility, instrumentation and controls, hazard detection and controls, spill containment, geotechnical topics, and other issues related to the operation of the proposed facility. Issues related to environmental impacts and LNG vessel transit are outside the scope of the conference.

In view of the nature of critical energy infrastructure information and security issues to be explored, the cryogenic conference will not be open to the public. Attendance at this conference will be limited to existing parties to the proceeding (anyone who has specifically requested to intervene as a party) and to representatives of interested federal, state, and local agencies. Any person planning to attend the April 25th cryogenic conference must register by close of business on Thursday, April 19, 2007. Registrations may be submitted either online at <http://www.ferc.gov/whats-new/registration/cryo-conf-form.asp> or by faxing a copy of the form (found at the referenced online link) to 202–208–0353. All attendees must sign a non-disclosure statement prior to entering the conference. For additional information regarding the cryogenic

conference, please contact Tejal Patel at 202–502–6037.

## ENVIRONMENTAL PROTECTION AGENCY

[ER–FRL–6685–7]

### Environmental Impact Statements and Regulations; Availability of EPA Comments

Availability of EPA comments prepared pursuant to the Environmental Review Process (ERP), under section 309 of the Clean Air Act and Section 102(2)(c) of the National Environmental Policy Act as amended. Requests for copies of EPA comments can be directed to the Office of Federal Activities at 202–564–7167.

#### Summary of Rating Definitions

##### *Environmental Impact of the Action*

##### LO—Lack of Objections

The EPA review has not identified any potential environmental impacts requiring substantive changes to the proposal. The review may have disclosed opportunities for application of mitigation measures that could be accomplished with no more than minor changes to the proposal.

##### EC—Environmental Concerns

The EPA review has identified environmental impacts that should be avoided in order to fully protect the environment. Corrective measures may require changes to the preferred alternative or application of mitigation measures that can reduce the environmental impact. EPA would like to work with the lead agency to reduce these impacts.

##### EO—Environmental Objections

The EPA review has identified significant environmental impacts that must be avoided in order to provide adequate protection for the environment. Corrective measures may require substantial changes to the preferred alternative or consideration of some other project alternative (including the no action alternative or a new alternative). EPA intends to work with the lead agency to reduce these impacts.

##### EU—Environmentally Unsatisfactory

The EPA review has identified adverse environmental impacts that are
