SUPPLEMENTARY INFORMATION: Released October 2, 2007.

The GSA has renewed the charter of the North American Numbering Council (Council) through September 27, 2009. The Council will continue to advise the Federal Communications Commission (Commission) on rapidly evolving and competitively significant numbering issues facing the telecommunications industry.

In October 1995, the Commission established the North American Numbering Council, a federal advisory committee created pursuant to the Federal Advisory Committee Act, 5 U.S.C., App. 2 (1988), to advise the Commission on issues related to North American Numbering Plan (NANP) administration in the United States, including local number portability administration issues. The original charter of the Council was effective on October 5, 1995, establishing an initial two-year term. Amended charters were filed on October 5, 1997, October 5, 1999, October 5, 2001, October 5, 2003, and September 26, 2005 each renewing the term of the charter for an additional two years.

Since the last charter renewal, the Council has provided the Commission with critically important recommendations regarding number administration, such as the development and recommendation of interim and permanent guidelines for pseudo Automatic Number Identification administration. In addition, the Council developed and recommended technical requirements for a request for proposals associated with a new Pooling Administrator (PA) contract. The Council also provided detailed evaluations of the North American Numbering Plan Administrator (NANPA) and the PA. The Council will continue to evaluate the NANPA's and the PA's performances annually.

Moreover, the Council is presently considering and formulating recommendations on other important numbering-related issues that will require work beyond the term of the present charter. The term of the

Council's renewed charter begins September 27, 2007 and runs through September 27, 2009.

The value of this federal advisory committee to the telecommunications industry and to the American public cannot be overstated. Numbers are the means by which consumers gain access to, and reap the benefits of, the public switched telephone network. The Council's recommendations to the Commission will facilitate fair and efficient number administration in the United States, and will ensure that numbering resources are available to all telecommunications service providers on a fair and equitable basis, consistent with the requirements of the Telecommunications Act of 1996.

Re: Notice of Suspension and Initiation of Debarment Proceedings, File No. EB-07-IH-5369.

Dear Mr. Brown: The Federal Communications Commission ("FCC" or "Commission") has received notice of your conviction for mail fraud in violation of 18 U.S.C. 1341 in connection with your participation in the schools and libraries universal service support mechanism ("E-Rate program").¹ Consequently, pursuant to 47 CFR 54.521, this letter constitutes official notice of your suspension from the E-Rate program. In addition, the Enforcement Bureau ("Bureau") hereby notifies you that we are commencing debarment proceedings against you.²

¹ Any further reference in this letter to "your conviction" refers to your February 13, 2007 guilty plea and subsequent conviction of three counts of mail fraud. *United States v. Richard E. Brown*, Criminal Docket No. 3:07-CR-29 (RNC), Plea Agreement (D.Conn. filed Feb. 13, 2007 and entered Feb. 14, 2007) ("*Brown Plea Agreement*"); *United States v. Richard E. Brown*, 3:07-CR-29 (RNC), Judgment (D.Conn. filed Sept. 6, 2007 and entered Sept. 7, 2007) ("*Brown Judgment*").

I. Notice of Suspension

The Commission has established procedures to prevent persons who have “defrauded the government or engaged in similar acts through activities associated with or related to the schools and libraries support mechanism” from receiving the benefits associated with that program.³ You pled guilty to three counts of mail fraud for activities in connection with your participation in the E-Rate program involving telecommunications upgrade projects in four Connecticut school districts.⁴ While employed at Southwestern Bell Communications (“SBC”), the prime contractor servicing these school districts, you recommended subcontractors to perform telecommunications upgrades in four Connecticut school districts. You also reviewed invoices submitted by the subcontractors to SBC for payment that SBC then submitted to the Universal Service Administrative Company (“USAC”) for reimbursement from the E-Rate fund.⁵ You admitted to participating in schemes to defraud the E-Rate program where fictitious bills for upgrades that were never performed were submitted to USAC for reimbursement from the E-Rate fund.⁶ In another fraudulent scheme in which you admitted to being a participant, engineering services for upgrade projects were billed at inflated rates and the associated invoices were also submitted to USAC for E-Rate reimbursement.⁷ In sum, these schemes generated approximately \$1,564,768 in fictitious expenses and approximately \$956,203 of these expenses ultimately were submitted to the USAC for reimbursement from E-Rate fund.⁸

Pursuant to section 54.521(a)(4) of the Commission’s rules,⁹ your conviction requires the Bureau to suspend you from participating in any activities associated with or related to the schools and libraries fund

mechanism, including the receipt of funds or discounted services through the schools and libraries fund mechanism, or consulting with, assisting, or advising applicants or service providers regarding the schools and libraries support mechanism.¹⁰ Your suspension becomes effective upon the earlier of your receipt of this letter or publication of notice in the **Federal Register**.¹¹

Suspension is immediate pending the Bureau’s final debarment determination. In accordance with the Commission’s debarment rules, you may contest this suspension or the scope of this suspension by filing arguments in opposition to the suspension, with any relevant documentation. Your request must be received within 30 days after you receive this letter or after notice is published in the **Federal Register**, whichever comes first.¹² Such requests, however, will not ordinarily be granted.¹³ The Bureau may reverse or limit the scope of suspension only upon a finding of extraordinary circumstances.¹⁴ Absent extraordinary circumstances, the Bureau will decide any request for reversal or modification of suspension within 90 days of its receipt of such request.¹⁵

II. Initiation of Debarment Proceedings

Your guilty plea to criminal conduct in connection with the E-Rate program, in addition to serving as a basis for immediate suspension from the program, also serves as a basis for the initiation of debarment proceedings against you. Your conviction falls within the categories of causes for debarment defined in section 54.521(c) of the Commission’s rules.¹⁶ Therefore, pursuant to section 54.521(a)(4) of the Commission’s rules, your conviction requires the Bureau to commence debarment proceedings against you.

As with your suspension, you may contest debarment or the scope of the proposed debarment by filing arguments and any relevant documentation within 30 calendar days of the earlier of the receipt of this letter

Such activities “include the receipt of funds or discounted services through the schools and libraries support mechanism, or consulting with, assisting, or advising applicants or service providers regarding schools and libraries support mechanism described in this section [47 CFR] § 54.500 et seq.” 47 CFR 54.521(a)(1).

or of publication in the **Federal Register**.¹⁷ Absent extraordinary circumstances, the Bureau will debar you.¹⁸ Within 90 days of receipt of any opposition to your suspension and proposed debarment, the Bureau, in the absence of extraordinary circumstances, will provide you with notice of its decision to debar.¹⁹ If the Bureau decides to debar you, its decision will become effective upon the earlier of your receipt of a debarment notice or publication of the decision in the **Federal Register**.²⁰

If and when your debarment becomes effective, you will be prohibited from participating in activities associated with or related to the schools and libraries support mechanism for three years from the date of debarment.²¹ The Bureau may, if necessary to protect the public interest, extend the debarment period.²²
