DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[ID-410-1610-DR-006D]

Notice of Availability of the Record of Decision for the Coeur d'Alene Resource Management Plan (RMP)/Environmental Impact Statement (EIS)

AGENCY: Bureau of Land Management (BLM), Department of the Interior.

ACTION: Notice of Availability of Record of Decision (ROD).

SUMMARY: In accordance with the National Environmental Policy Act (NEPA), the Federal Land Policy and Management Act (FLPMA), and BLM Policy, the BLM announces the availability of the RMP/ROD for the

Coeur d'Alene Field Office located in Idaho. The Idaho State Director signed the ROD on June 29, 2007, and it is effective as of that date.

ADDRESSES: Copies of the Coeur d'Alene ROD/RMP are available upon request from the Coeur d'Alene Field Office, Bureau of Land Management, ATTN: RMP, 3815 Schreiber Way, Coeur d'Alene, ID 83815, or via the internet at <http://www.blm.gov/rmp/id/cda/>.

FOR FURTHER INFORMATION CONTACT: Scott Pavey, Spokane District Office, 1103 North Fancher, Spokane Valley, Washington 99212, (208) 769-5059, or e-mail scott_pavey@blm.gov.

SUPPLEMENTARY INFORMATION: The Coeur d'Alene RMP was developed with broad public participation through a three year collaborative planning process. This RMP addresses management on approximately 97,900 acres of public land in the planning area. The Coeur d'Alene RMP is designed to achieve or maintain desired future conditions developed through the planning process. It includes a series of management actions to meet the desired resource conditions for forest, upland, and riparian vegetation; wildlife habitats; cultural and visual resources; and recreation. The approved Coeur d'Alene RMP is essentially the same as Alternative D in the Proposed RMP/Final Environmental Impact Statement (PRMP/FEIS), published in October 2006.

The BLM received two protests to the PRMP/FEIS which the Director of BLM resolved without requiring significant changes to proposed decisions in the PRMP/FEIS. No inconsistencies with State or local plans, policies, or programs were identified during the Governor's consistency review of the PRMP/FEIS. Thus, as a result of the lack of substantive comments in the protest and consistency review stages, only minor editorial modifications were made in preparing the ROD/RMP. These modifications corrected errors that were noted during review of the PRMP/FEIS and provide further clarification for some of the decisions.

The RMP includes decisions identifying designated routes of travel for motorized vehicles, which are implementation level decisions and are therefore appealable under 43 CFR Part 4. These decisions (route identifications) are displayed on travel management maps in the ROD/RMP. Any party adversely affected by these route identifications may appeal within 30 days of publication of this Notice of Availability, pursuant to 43 CFR part 4, subpart E. The appeal should identify the specific route(s) by township, range,

and section on which the decision is being appealed. Please consult the appropriate regulations (43 CFR part 4, subpart E) for further appeal requirements. The appeal must be filed with the Field Manager of the Coeur d'Alene Field Office at the above listed address.

Before including your address, phone number, e-mail address, or other personal identifying information in your appeal, you should be aware that your entire appeal—including your personal identifying information—may be made publicly available at any time. While you can ask us in your appeal to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Thomas H. Dyer,

Bureau of Land Management, Idaho State Director.

SUPPLEMENTARY INFORMATION:

Background. On October 22, 2002, the Department of Commerce ("Commerce") issued a countervailing duty order on imports of wire rod from Brazil (67 FR 64871).² On October 29, 2002, Commerce issued antidumping duty orders on imports of wire rod from Brazil, Canada, Indonesia, Mexico, Moldova, Trinidad and Tobago, and Ukraine (67 FR 65944-65947). The Commission is conducting reviews to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. It will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct full reviews or expedited reviews. The Commission's determinations in any

and Budget (OMB) number is not displayed; the OMB number is 3117-0016/USITC No. 08-5-173, expiration date June 30, 2008. Public reporting burden for the request is estimated to average 10 hours per response. Please send comments regarding the accuracy of this burden estimate to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436.

² A countervailing duty order on imports of wire rod from Canada was also issued by Commerce in the same notice; however, that order was subsequently revoked by Commerce (69 FR 3330, January 23, 2004).

expedited reviews will be based on the facts available, which may include information provided in response to this notice.

Definitions. The following definitions apply to these reviews:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year reviews, as defined by Commerce.

(2) The *Subject Countries* in these reviews are Brazil, Canada, Indonesia, Mexico, Moldova, Trinidad and Tobago, and Ukraine.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original determinations, the Commission found a single *Domestic Like Product* consisting of: (1) All carbon and certain alloy steel wire rod included within Commerce's scope, and (2) the grade 1080 tire bead and grade 1080 tire cord quality wire rod that had been excluded from Commerce's scope. One Commissioner defined the *Domestic Like Product* differently.

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original determinations, the Commission found a single Domestic Industry consisting of all U.S. producers of the *Domestic Like Product* which, as stated above, consists of all wire rod corresponding to Commerce's scope as well as the certain grade 1080 tire cord and grade 1080 tire bead wire rod products that Commerce had excluded from the scope. One Commissioner defined the *Domestic Industry* differently.

(5) The *Order Dates* are the dates that the antidumping and countervailing duty orders under review became effective. In these reviews, the *Order Date* concerning the countervailing duty order on imports of wire rod from Brazil is October 22, 2002, and the *Order Date* concerning the antidumping duty orders on imports of wire rod from Brazil, Canada, Indonesia, Mexico, Moldova, Trinidad and Tobago, and Ukraine is October 29, 2002.

(6) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the *Subject Merchandise* into the United States from a foreign manufacturer or through its selling agent.

Participation in the reviews and public service list. Persons, including

industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the reviews as parties must file an entry of appearance with the Secretary to the Commission, as provided in § 201.11(b)(4) of the Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the reviews.

Former Commission employees who are seeking to appear in Commission five-year reviews are reminded that they are required, pursuant to 19 CFR 201.15, to seek Commission approval if the matter in which they are seeking to appear was pending in any manner or form during their Commission employment. The Commission's designated agency ethics official has advised that a five-year review is the "same particular matter" as the underlying original investigation for purposes of 19 CFR 201.15 and 18 U.S.C. 207, the post employment statute for Federal employees. Former employees may seek informal advice from Commission ethics officials with respect to this and the related issue of whether the employee's participation was "personal and substantial." However, any informal consultation will not relieve former employees of the obligation to seek approval to appear from the Commission under its rule 201.15. For ethics advice, contact Carol McCue Verratti, Deputy Agency Ethics Official, at 202-205-3088.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list. Pursuant to § 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in these reviews available to authorized applicants under the APO issued in the reviews, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the reviews. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Certification. Pursuant to § 207.3 of the Commission's rules, any person submitting information to the Commission in connection with these reviews must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter

will be deemed to consent, unless otherwise specified, for the Commission, its employees, and contract personnel to use the information provided in any other reviews or investigations of the same or comparable products which the Commission conducts under Title VII of the Act, or in internal audits and investigations relating to the programs and operations of the Commission pursuant to 5 U.S.C. Appendix 3.

Written submissions. Pursuant to § 207.61 of the Commission's rules, each interested party response to this notice must provide the information specified below. The deadline for filing such responses is October 24, 2007. Pursuant to § 207.62(b) of the Commission's rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct expedited or full reviews. The deadline for filing such comments is November 20, 2007. All written submissions must conform with the provisions of §§ 201.8 and 207.3 of the Commission's rules and any submissions that contain BPI must also conform with the requirements of §§ 201.6 and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by § 201.8 of the Commission's rules, as amended, 67 FR 68036 (November 8, 2002). Also, in accordance with §§ 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the reviews you do not need to serve your response).

Inability to provide requested information. Pursuant to § 207.61(c) of the Commission's rules, any interested party that cannot furnish the information requested by this notice in the requested form and manner shall notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information. If an interested party does not provide this notification (or the Commission finds the explanation provided in the notification inadequate) and fails to provide a complete response to this notice, the Commission may take an adverse inference against the party pursuant to

section 776(b) of the Act in making its determinations in the reviews.

Information to be Provided in Response to this Notice of Institution: If you are a domestic producer, union/worker group, or trade/business association; import/export *Subject Merchandise* from more than one *Subject Country*; or produce *Subject Merchandise* in more than one *Subject Country*, you may file a single response. If you do so, please ensure that your response to each question includes the information requested for each pertinent *Subject Country*. As used below, the term "firm" includes any related firms.

(5) A list of all known and currently operating U.S. producers of the *Domestic Like Product*. Identify any known related parties and the nature of the relationship as defined in section 771(4)(B) of the Act (19 U.S.C. 1677(4)(B)).

(6) A list of all known and currently operating U.S. importers of the *Subject Merchandise* and producers of the *Subject Merchandise* in each *Subject Country* that currently export or have exported *Subject Merchandise* to the United States or other countries since the *Order Date*.

(7) If you are a U.S. producer of the *Domestic Like Product*, provide the following information on your firm's

operations on that product during calendar year 2006 (report quantity data in short tons and value data in U.S. dollars, f.o.b. plant). If you are a union/worker group or trade/business association, provide the information, on an aggregate basis, for the firms in which your workers are employed/which are members of your association.

If you are a trade/business association, provide the information, on an aggregate basis, for the firms which are members of your association.

(a) The quantity and value (landed, duty-paid but not including antidumping or countervailing duties) of U.S. imports and, if known, an estimate of the percentage of total U.S. imports of *Subject Merchandise* from each *Subject Country* accounted for by your firm's(s') imports;

(b) The quantity and value (f.o.b. U.S. port, including antidumping and/or countervailing duties) of U.S. commercial shipments of *Subject Merchandise* imported from each *Subject Country*; and

(c) The quantity and value (f.o.b. U.S. port, including antidumping and/or countervailing duties) of U.S. internal consumption/company transfers of *Subject Merchandise* imported from each *Subject Country*.

Pursuant to § 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in section 207.21 of the Commission's rules, upon notice from the Department of Commerce (Commerce) of affirmative preliminary determinations in these investigations under sections 703(b) and 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under sections 705(a) and 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations.
