

for administrative review. No other party requested a review with respect to SWG, BGH, or any other company. Therefore, the Department is rescinding this administrative review. The Department intends to issue appropriate assessment instructions to U.S. Customs and Border Protection ("CBP") 15 days after the date of the publication of this notice. The Department will direct CBP to assess antidumping duties for SWG and BGH at the cash deposit rates in effect on the date of entry for entries during the period March 1, 2006, through February 28, 2007.

#### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's assumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with sections 771(i) and 751(a)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

#### **Stainless Steel Sheet and Strip in Coils from Mexico: Extension of Time Limit for Final Results of Antidumping Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** September 4, 2007.

**FOR FURTHER INFORMATION CONTACT:** Maryanne Burke, Deborah Scott or Robert James, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-5604, (202) 482-2657 or (202) 482-0649, respectively.

**SUPPLEMENTARY INFORMATION:** On August 6, 2007, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on stainless steel sheet and strip in coils from Mexico for the period July 1, 2005 through June 30, 2006. *See Stainless Steel Sheet and Strip in Coils from Mexico; Preliminary Results of Antidumping Duty Administrative Review*, 72 FR 43600 (August 6, 2007). The current deadline for the final results of this review is December 4, 2007.

#### **Extension of Time Limits for Final Results**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Tariff Act), requires the Department to issue the final results of an administrative review within 120 days after the date on which the preliminary results were published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Tariff Act allows the Department to extend the time limit for the final results up to 180 days from the date of publication of the preliminary results.

The Department finds that it is not practicable to complete this review within the original time frame due to additional analysis that must be performed with respect to certain adjustments made to U.S. price and the calculation of general and administrative expenses. Furthermore, the Department requires additional time to conduct its cost verification of the questionnaire and supplemental questionnaire responses. Consequently, and in accordance with section 751(a)(3)(A) of the Tariff Act and 19 CFR 351.213(h)(2), the Department is extending the time period for issuing the final results of review by 37 days to 157 days after the publication of the preliminary results. Therefore, the final results will be due no later than January 10, 2008. This notice is published in accordance with section 751(a)(3)(A) of the Tariff Act.

Dated: August 28, 2007.
