

# HOAP

Home Ownership Assistance Program

## Attention All Aloha Airlines Employees

We are here to help you during this difficult situation. HOAP is a program administered by the Department of Hawaiian Home Lands and partially funded by the Office of Hawaiian Affairs. We partner with many organizations throughout the State that provide assistance to Native Hawaiians with job training, job placement, and credit counseling services.

## Specialized services available through HOAP

- Mortgage loan assistance, foreclosure prevention and financial analysis.
- Job assessment and career placement services including individual resume preparation and application processing.
- Private credit counseling services for outstanding loans and revolving creditors.
- Unemployment insurance processing assistance.

All of these services are available through our partners who are ready to engage and begin the rebuilding of your lives. Just contact our call center above or visit our website for more information. With a little aloha!
