(³) and/or	[— fresh by-products from fish from plants manufacturing fish products for human consumption,]	
(³) and/or	[— shells, hatchery by-products and cracked egg by-products originating from animals which did not show clinical signs of any disease communicable through that product to humans or animals,]	
(³) and/or	[— fur originating from animals that did not show clinical signs of any disease communicable through that product to humans or animals,]	
II.1.8.	have been deep-frozen at the plant of origin or have been preserved in accordance with EU legislation in such a way that they will not spoil between dispatch and delivery to the plant of destination.	
(³) (⁶) [II.2.	Specific requirements	
(³) (⁷) II.2.1.	the by-products in this consignment come from animals that have been obtained in the territory mentioned under (II.1.2), where vaccination programmes against foot-and-mouth disease are being regularly carried out and officially controlled in domestic bovine animals.	
(³) (⁸) II.2.2.	The by-products in this consignment consists of animal by-products derived from offal or de-boned meat.]	
Notes		
Part I:		
—	Box reference I.6: Person responsible for the consignment in EU: this box is to be filled in only if it is a certificate for transit commodity; it may be filled in if the certificate is for import commodity.	
—	Box reference I.12: Place of destination: this box is to be filled in only if it is a certificate for transit commodity. The products in transit can only be stored in free zones, free warehouses and custom warehouses.	
—	Box reference I.15: Registration number (railway wagons or container and lorries), flight number (aircraft) or name (ship); information is to be provided in case of unloading and reloading.	
—	Box reference I.19: use the appropriate HS code: 05.11.91; 05.11.99 or 30.01.	
—	Box reference I.23: for bulk containers, the container number and the seal number (if applicable) should be included.	
—	Box reference I.26 and I.27: fill in according to whether it is a transit or an import certificate.	
—	Box reference I.28: Manufacturing plant: provide the veterinary control number of the approved establishment.	
Part II:		
(*)	Excluding raw blood, raw milk, hides and skins of ungulates or ruminants and pig bristles (see relevant specific certificates for the import of these products) as well as wool, hair, feathers or parts of feathers.	
(¹)	OJ L 273, 10.10.2002, p. 1.	
(²)	The name and ISO code number of the exporting country as laid down in: <ul style="list-style-type: none"> — part 1 of Annex II of Council Decision 79/542/EEC, — the Annex to Commission Decision 94/984/EC, and — the Annex to Commission Decision 2000/585/EC. In addition the ISO code of regionalisation in this Annex (where applicable for the susceptible species concerned) should be included.	
(³)	Delete as appropriate.	
(⁴)	Only for countries from where game meat intended for human consumption of the same animal species is authorised for importation into the European Community.	
(⁵)	Catering waste means all waste food, including used cooking oils, originating in restaurants, catering facilities and kitchens, including central kitchens and household kitchens.	
(⁶)	Supplementary guarantees to be provided when the material of domestic ruminants originated in the territory of a South American or South African country or part thereof from where only matured and de-boned fresh meat of domestic ruminants for human consumption is permitted for exportation to the European Community. In the case of offal only trimmed offal of domestic ruminants which must be exclusively offal from which the bones, cartilage, trachea and main bronchi, lymphatic glands adhering connective tissue, fat and mucus have been completely removed is permitted. The whole masseter muscles of bovine animals, incised in accordance with paragraph 41(a) of Chapter VIII of Annex I to Council Directive 64/433/EEC, are also permitted.	
(⁷)	Only for certain South American countries.	
(⁸)	Only for certain South American and South African countries. <ul style="list-style-type: none"> — The signature and the stamp must be in a different colour to that of the printing. — Note for the person responsible for the consignment in EU: this certificate is only for veterinary purposes and has to accompany the consignment until it reaches the border inspection post.
