Certain Frozen Warmwater Shrimp From the People's Republic of China ("PRC"): Extension of Time Limit for Preliminary Results of 2004/2005 New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 28, 2006.

FOR FURTHER INFORMATION CONTACT: Alex Villanueva or Javier Barrientos; AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-3208 and (202) 482-2243, respectively.

SUPPLEMENTARY INFORMATION:

Background

On February 1, 2005, the Department of Commerce ("the Department") published in the **Federal Register** an antidumping duty order covering certain frozen warmwater shrimp from the People's Republic of China ("PRC"). See *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Certain Frozen Warmwater Shrimp From the People's Republic of China*, 70 FR 5149 (February 1, 2005). The Department received a timely request from Zhanjiang Regal Integrated Marine Resources Co., Ltd. ("Regal"), in accordance with 19 CFR 351.214(c), for a new shipper review of the antidumping duty order on certain frozen warmwater shrimp from the PRC, which has a February annual anniversary month and an August semi-annual anniversary month. On September 30, 2005, the Department initiated a review with respect to Regal.

See *Certain Frozen Warmwater Shrimp From the People's Republic of China: Initiation of New Shipper Review*, 70 FR 58679 (October 7, 2005).

The Department has issued its antidumping duty questionnaire and supplemental questionnaires to Regal. The deadline for completion of the preliminary results is currently March 29, 2006.

Extension of Time Limits for Preliminary Results

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended ("the Act"), and 19 CFR 351.214(i)(1) require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated and final results of a review within 90 days after the date on which the preliminary results were issued. The Department may, however, extend the deadline for completion of the preliminary results of a new shipper review to 300 days if it determines that the case is extraordinarily complicated. See 19 CFR 351.214(i)(2).

Pursuant to section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2), the Department determines that this review is extraordinarily complicated. Specifically, the Department requires additional time to analyze all questionnaire responses and to conduct verification of the responses submitted, as well as to examine whether Regal's U.S. sale was made on a bona fide basis. Additionally, there are complicated issues surrounding the Department's calculation of normal value, particularly with respect to the valuation of shrimp farming inputs. Based on the timing and complexity of the case, the preliminary results of this new shipper review cannot be completed within the statutory time limit of 180 days. Accordingly, the Department is extending the time limit for the completion of the preliminary results by 90 days to June 27, 2006, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2). The final results, in turn, will be due 90 days after the date of issuance of the preliminary results, unless extended.

We are issuing and publishing this notice in accordance with sections 751(a)(1), 751(a)(2)(B), and 777(i)(1) of the Act.

Dated: March 22, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Grain-Oriented Electrical Steel From Italy and Japan: Final Results of Sunset Reviews and Revocation of Orders

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On February 1, 2006, the Department of Commerce ("the Department") initiated the sunset reviews of the antidumping duty ("AD") orders on grain-oriented electrical steel ("GOES") from Italy and Japan and of the countervailing duty ("CVD") order on GOES from Italy. (See 70 FR 5243). Because the domestic interested parties did not participate in these sunset reviews, the Department is revoking these AD and CVD orders.

EFFECTIVE DATE: March 14, 2006.

FOR FURTHER INFORMATION CONTACT:

Darla Brown or Brandon Farlander, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2849 or (202) 482-0182, respectively.

SUPPLEMENTARY INFORMATION:

Background

On June 7, June 10, and August 12, 1994, respectively, the Department issued the CVD order on GOES from Italy (59 FR 29414) and the AD orders on GOES from Japan (59 FR 29984) and Italy (59 FR 41431). On December 1, 1999, the Department initiated sunset reviews on these orders and later published its notice of continuation of the AD and CVD orders. See *Continuation of Antidumping Duty Orders and Countervailing Duty Order: Grain-Oriented Silicon Electrical Steel From Italy and Japan*, 66 FR 14889 (March 14, 2001) ("*GOES Continuation*"). On February 1, 2006, the Department initiated the second sunset reviews of these orders.

We did not receive a notice of intent to participate from domestic interested parties in any of these sunset reviews by the deadline dates. See 19 CFR 351.218(d)(1)(iii)(A). As a result, the Department determined that no domestic interested party intends to participate in these sunset reviews, and on February 21, 2006, we notified the International Trade Commission, in writing, that we intended to issue final determinations revoking these AD and CVD orders. See 19 CFR 351.218(d)(1)(iii)(B)(2).

Scope of the Orders

The merchandise subject to these orders includes GOES, which is a flat-rolled alloy steel product containing by weight at least 0.6 percent of silicon, not more than 0.08 percent of carbon, not more than 1.0 percent of aluminum, and no other element in an amount that would give the steel the characteristics of another alloy steel, of a thickness of no more than 0.56 millimeters, in coils of any width, or in straight lengths which are of a width measuring at least 10 times the thickness. The products covered by these orders are provided for under the following item numbers of the Harmonized Tariff Schedule of the United States ("HTSUS"): 7225.10.0030, 7226.10.1030, 7226.10.5015, and 7226.10.5065. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of these orders is dispositive.

Determination to Revoke

Pursuant to section 751(c)(3)(A) of the Tariff Act of 1930, as amended ("the Act") and 19 CFR 351.218(d)(1)(iii)(B)(3), if no domestic interested party files a notice of intent to participate, the Department shall, within 90 days after the initiation of the review, issue a final determination revoking the order. Because the domestic interested parties did not file a notice of intent to participate in these sunset reviews, the Department finds that no domestic interested party is participating in these sunset reviews. Therefore, consistent with 19 CFR 351.222(i)(2)(i) and section 751(c)(6)(A)(iii) of the Act, we are revoking these AD and CVD orders effective March 14, 2006, the fifth anniversary of the date the Department published the continuation of the AD and CVD orders. (*See GOES Continuation.*)

Effective Date of Revocation

Pursuant to sections 751(c)(3)(A) and 751(c)(6)(A)(iii) of the Act and 19 CFR 351.222(i)(2)(i), the Department will instruct U.S. Customs and Border Protection to terminate the suspension of liquidation of the merchandise subject to these orders entered, or withdrawn from warehouse, on or after March 14, 2006. Entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of liquidation and AD and CVD deposit requirements. The Department will complete any pending administrative reviews of these orders and will conduct administrative reviews of subject merchandise entered prior to

the effective date of revocation in response to appropriately filed requests for review.

These five-year (sunset) reviews and notice are issued and published in accordance with sections 751(c) and 777(i)(1) of the Act.

Dated: March 22, 2006.

Stephen J. Claeys,

Acting Assistant Secretary for Import Administration.

Notice of Rescission of Antidumping Duty Administrative Review: Prestressed Concrete Steel Wire Strand From Thailand

AGENCY: Import Administration, International Trade Administration, Department of Commerce.
SUMMARY: On February 24, 2006, the Department of Commerce (the Department) published a notice in the **Federal Register** announcing the initiation of an administrative review of the antidumping duty order on prestressed concrete steel wire strand from Thailand, covering the period January 1, 2005, to December 31, 2005. *See Notice of Initiation of Antidumping and Countervailing Duty Administrative Reviews, Thailand: Prestressed Concrete Steel Wire Strand*, 71 FR 9519 (February 24, 2006). The review covers Siam Industrial Wire Co. Ltd. (SIW). We are now rescinding this review as a result of SIW's timely withdrawal of its request for an administrative review.

EFFECTIVE DATE: March 28, 2006.

FOR FURTHER INFORMATION CONTACT: Constance Handley or Shane Subler at (202) 482-0631 or (202) 482-0189, respectively; AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

In accordance with 19 CFR 351.213(b)(2), on January 31, 2006, SIW requested an administrative review of the antidumping duty order on prestressed concrete steel wire strand from Thailand. On February 24, 2006, in accordance with 19 CFR 351.221(c)(1)(i), we initiated the administrative review of this order for

the period January 1, 2005, to December 31, 2005 (71 FR 9519). SIW withdrew its request for an administrative review on March 7, 2006.

Rescission of Administrative Review

The Department's regulations at 19 CFR 351.213(d)(1) provide that the Department will rescind an administrative review if a party that requested a review withdraws the request within 90 days of the publication date of the notice of initiation of the requested review. SIW, the only interested party to request a review, withdrew its request for an administrative review within the 90-day period. Therefore, the Department is rescinding this administrative review. The Department will issue appropriate instructions directly to U.S. Customs and Border Protection.

This notice is issued and published in accordance with section 751 of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: March 22, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Quarterly Update to Annual Listing of Foreign Government Subsidies on Articles of Cheese Subject to an In-Quota Rate of Duty

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 28, 2006.

FOR FURTHER INFORMATION CONTACT: Tipten Troidl or Eric Greynolds, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave., NW, Washington, DC 20230, telephone: (202) 482-1767 or 6071, respectively.

SUPPLEMENTARY INFORMATION: Section 702 of the Trade Agreements Act of 1979 (as amended) ("the Act") requires the Department of Commerce ("the Department") to determine, in consultation with the Secretary of Agriculture, whether any foreign government is providing a subsidy with respect to any article of cheese subject to an in-quota rate of duty, as defined in section 702(h) of the Act, and to publish an annual list and quarterly
