

### Scope of the Orders

The merchandise subject to these orders includes GOES, which is a flat-rolled alloy steel product containing by weight at least 0.6 percent of silicon, not more than 0.08 percent of carbon, not more than 1.0 percent of aluminum, and no other element in an amount that would give the steel the characteristics of another alloy steel, of a thickness of no more than 0.56 millimeters, in coils of any width, or in straight lengths which are of a width measuring at least 10 times the thickness. The products covered by these orders are provided for under the following item numbers of the Harmonized Tariff Schedule of the United States ("HTSUS"): 7225.10.0030, 7226.10.1030, 7226.10.5015, and 7226.10.5065. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of these orders is dispositive.

### Determination to Revoke

Pursuant to section 751(c)(3)(A) of the Tariff Act of 1930, as amended ("the Act") and 19 CFR 351.218(d)(1)(iii)(B)(3), if no domestic interested party files a notice of intent to participate, the Department shall, within 90 days after the initiation of the review, issue a final determination revoking the order. Because the domestic interested parties did not file a notice of intent to participate in these sunset reviews, the Department finds that no domestic interested party is participating in these sunset reviews. Therefore, consistent with 19 CFR 351.222(i)(2)(i) and section 751(c)(6)(A)(iii) of the Act, we are revoking these AD and CVD orders effective March 14, 2006, the fifth anniversary of the date the Department published the continuation of the AD and CVD orders. (*See GOES Continuation.*)

### Effective Date of Revocation

Pursuant to sections 751(c)(3)(A) and 751(c)(6)(A)(iii) of the Act and 19 CFR 351.222(i)(2)(i), the Department will instruct U.S. Customs and Border Protection to terminate the suspension of liquidation of the merchandise subject to these orders entered, or withdrawn from warehouse, on or after March 14, 2006. Entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of liquidation and AD and CVD deposit requirements. The Department will complete any pending administrative reviews of these orders and will conduct administrative reviews of subject merchandise entered prior to

the effective date of revocation in response to appropriately filed requests for review.

These five-year (sunset) reviews and notice are issued and published in accordance with sections 751(c) and 777(i)(1) of the Act.

Dated: March 22, 2006.
