

this amendment effective less than 30 days after publication.

The PBGC has determined that this action is not a "significant regulatory action" under the criteria set forth in Executive Order 12866.

Because no general notice of proposed rulemaking is required for this amendment, the Regulatory Flexibility Act of 1980 does not apply. See 5 U.S.C. 601(2).

33 CFR Part 100

[CGD05-06-037]

RIN 1625-AA08

Special Local Regulations for Marine Events; Atlantic Ocean, Atlantic City, NJ, Change of Time

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule; amendment.

SUMMARY: On July 7, 2006, the Coast Guard published a temporary final rule in the **Federal Register** establishing temporary special local regulations for the "Thunder Over the Boardwalk Airshow", an aerial demonstration to be held over the waters of the Atlantic Ocean adjacent to Atlantic City, New Jersey. On July 14, 2006, the Coast Guard was notified that this marine event was proposed to be conducted at a different time period. This rule changes the times of enforcement for the temporary regulated area. These special local regulations are necessary to provide for the safety of life on navigable waters during the event. This action is intended to restrict vessel traffic in the regulated area during the event.

DATES: This rule changes the effective period of the temporary final rule published at 71 FR 38523 (July 7, 2006) to be 9 a.m. to 5 p.m. on August 23, 2006.

ADDRESSES: Documents indicated in this preamble as being available in the docket, are part of docket (CGD05-06-037) and are available for inspection or copying at Commander (dpi), Fifth Coast Guard District, 431 Crawford Street, Portsmouth, Virginia 23704-5004, between 9 a.m. and 2 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Dennis Sens, Project Manager, Inspections and Investigations Branch, at (757) 398-6204.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B) the Coast Guard finds that good cause exists for not publishing an NPRM. The new time period of when the airshow was proposed to be conducted was not known in sufficient time to allow for the publication of an NPRM followed by publication of an effective rule before the event. Delaying this rule would be contrary to the public interest of ensuring the safety of life at sea during this event. The event will take place on August 23, 2006. Because of the danger posed by high performance jet aircraft performing low altitude aerial maneuvers over the waters of the Atlantic Ocean, special local regulations are necessary to provide for the safety of event participants, spectator craft and other vessels transiting the event area. For the safety concerns noted, it is in

the public interest to have these regulations in effect during the event.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date would be contrary to the public interest, since immediate action is needed to ensure the safety of the event participants, spectator craft and other vessels transiting the regulated area. However, advance notifications will be made to affected users of the Atlantic Ocean coastal area via marine information broadcasts and area newspapers.

Background and Purpose

On August 23, 2006, the Atlantic City Chamber of Commerce will sponsor the "Thunder Over the Boardwalk Airshow". The event will consist of high performance jet aircraft performing low altitude aerial maneuvers over the waters of the Atlantic Ocean adjacent to Atlantic City, New Jersey. A fleet of spectator vessels is expected to gather nearby to view the aerial demonstration. Due to the need for vessel control during the event, vessel traffic will be temporarily restricted to provide for the safety of spectators and transiting vessels.

Discussion of the Amendment to the Temporary Final Rule

The Coast Guard is establishing temporary special local regulations on specified waters of the Atlantic Ocean adjacent to Atlantic City, New Jersey. The regulated area includes a section of the Atlantic Ocean approximately 2.5 miles long, running from Pennsylvania Avenue to Columbia Avenue, and extending approximately 900 yards out from the shoreline. This amendment to the rule changes the time period previously announced in the **Federal Register** notice published on July 7, 2006. The temporary special local regulations will be enforced from 9 a.m. until 5 p.m. on August 23, 2006. The effect of the temporary special local regulations will be to restrict general navigation in the regulated area during the event. Except for persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the regulated area. Non-participating vessels will be allowed to transit the regulated area between event activities, when the Coast Guard Patrol Commander determines it is safe to do so. These regulations are needed to control vessel traffic during the event to enhance the safety of participants, spectators and transiting vessels.
