Algonquin Gas Transmission, LLC; Notice of Proposed Changes in FERC Gas Tariff

October 11, 2006.

Take notice that on October 6, 2006, Algonquin Gas Transmission, LLC (Algonquin) tendered for filing as part of its FERC Gas Tariff, Fifth Revised Volume No. 1, the tariff sheets listed in Appendix A of the filing to be effective November 6, 2006.

Algonquin states that the purpose of this filing is to modify the General Terms and Conditions of the Algonquin Tariff to reflect the current procedures that releasing customers and potential prearranged and replacement customers are required to follow in order to effectuate the temporary or permanent release of capacity via Algonquin's capacity release mechanism.

Algonquin states that copies of its filing have been mailed to all affected customers and interested state commissions.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed in accordance with the provisions of section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and

interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). California Independent System; Operator Corporation; Notice of Filings

October 10, 2006.

Take notice that on August 1, 2005, the Pacific Gas and Electric Company (PG&E) and Southern California Edison Company submitted filings to comply with the Commission's July 1, 2005 Order in Docket No. ER04–928–000, *Public Utilities With Existing Contracts In California Independent System Operator Corporation Region*, 112 FERC ¶ 61,007 (2005).

On November 14, 2005, PG&E submitted a new existing transmission contract template to recognize the encumbrance created by the Midway-Sunset Agreement (Rate Schedule No. 182) on PG&E's facilities and Midway-Sunset's right under the agreement.

Any person desiring to intervene or to protest these filings must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or

protests must be filed on or before the comment date. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant and all the parties in this proceeding.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.
