The Secretary of State, pursuant to the Emergency Supplemental Appropriations Act for Defense, the Global War on Terror, and Tsunami Relief (P.L. 109-13) and the President's delegation of his authority to make the necessary determination on the use of these funds, determined on September 9th that the use of the \$30 million in FY 2005 supplemental peacekeeping operations funds in Lebanon and Kyrgyz Republic will support the global war on terrorism.

Dated: September 29, 2006.

Michael W. Coulter,

Deputy Assistant Secretary, Bureau of Political-Military Affairs, Department of State.

BILLING CODE 4710-27-P

**DETERMINATION ON THE USE OF FY 2005 SUPPLEMENTAL
PEACEKEEPING OPERATIONS FUNDS TO SUPPORT
THE GLOBAL WAR ON TERRORISM**

Pursuant to the Emergency Supplemental Appropriations Act for Defense, the Global War on Terror, and Tsunami Relief (P.L. 109-13) and the President's delegation to me of his authority to make the necessary determination on the use of these funds, I hereby determine that the use of the \$30 million in FY 2005 supplemental peacekeeping operations funds in Lebanon and Kyrgyz Republic will support the global war on terrorism.

This determination shall be reported to Congress promptly and published in the *Federal Register*.

SEP - 9 2006

Date

Condoleezza Rice
Secretary of State

¹⁸ 17 CFR 200.30-3(a)(12).

MEMORANDUM OF JUSTIFICATION

THAT THE USE OF PEACEKEEPING OPERATIONS FUNDS WILL SUPPORT THE GLOBAL WAR ON TERRORISM CONSISTENT WITH THE EMERGENCY SUPPLEMENTAL APPROPRIATIONS ACT FOR DEFENSE, THE GLOBAL WAR ON TERROR, AND TSUNAMI RELIEF ACT, 2005 (P.L. 109-13)

Pursuant to the "Peacekeeping Operations" section of the Emergency Supplemental Appropriations Act for Defense, the Global War on Terror (GWOT), and Tsunami Relief Act, 2005 (P.L. 109-13), \$30 million in Peacekeeping Operations (PKO) funds appropriated by this Emergency Supplemental may be used pursuant to a Presidential Determination that such use will support the GWOT after consultations with the Committees on Appropriations. On May 25, 2006, the President delegated to the Secretary of State the authority to make the determination on these funds.

The Secretary has determined that the intended use of the \$30 million in FY 2005 supplemental PKO funds supports the GWOT.

The assistance to Lebanon (\$27.95 million) will support the Lebanese Armed Forces' efforts to regain control of their national territory from Hizballah, a U.S.-designated terrorist organization. In addition, this funding will support the efforts of the Lebanese Armed Forces (LAF) and the Lebanese Internal Security Forces (ISF) to secure Lebanon's borders, airport, and harbors and prevent the shipment of illicit arms. Support for the LAF and the ISF is a key component to the successful implementation of UNSCRs 1559 and 1701, and to put an end to the violence that Hizballah and its sponsors imposed on the people of Lebanon and Israel, while laying the framework for a lasting peace.

The assistance to the Kyrgyz Republic (\$2.05 million) will be used towards the purchase of one Mi-8MTV utility helicopter to complement Kyrgyzstan's three other Mi-8MTV helicopters. The aircraft are used to enhance border surveillance, improve interdiction of illicit cross-border activity, and generally support ground security operations in remote mountainous areas with known terrorist transit activity. Also, the assistance is a component of the compensation package negotiated with the Kyrgyz Government for maintaining the Manas Coalition Airbase, which supports coalition operations in Afghanistan and is a strategically critical component of the global war on terrorism.

SUMMARY: TransCanada Keystone Pipeline, L.P. has applied to the United States Department of State for a Presidential Permit for the proposed construction, connection, operation, or maintenance, at the border of the United States of facilities for the importation of petroleum from a foreign country. The Department of State receives and considers applications for Presidential Permits for such energy-related pipelines pursuant to authority delegated to it by the President under Executive Order 13337 of April 30, 2004 (69 FR 25299).
