* The Standards Council of Canada (SCC) voted to end its Laboratory Accreditation Program for Substance Abuse (LAPSA) effective May 12, 1998. Laboratories certified through that program were accredited to conduct forensic urine drug testing as required by U.S. Department of Transportation (DOT) regulations. As of that date, the certification of those accredited Canadian laboratories will continue under DOT authority. The responsibility for conducting quarterly performance testing plus periodic on-site inspections of those LAPSA-accredited laboratories was transferred to the U.S. HHS, with the HHS' NLCP contractor continuing to have an active role in the performance testing and laboratory inspection processes. Other Canadian laboratories wishing to be considered for the NLCP may apply directly to the NLCP contractor just as U.S. laboratories do. Upon finding a Canadian laboratory to be qualified, HHS will recommend that DOT certify the laboratory (**Federal Register**, July 16, 1996) as meeting the minimum standards of the Mandatory Guidelines published in the **Federal Register** on April 13, 2004 (69 FR 19644). After receiving DOT certification, the laboratory will be included in the monthly list of HHS-certified laboratories and participate in the NLCP certification maintenance program.

Dated: October 4, 2006.

DEPARTMENT OF HOMELAND SECURITY

Office of the Secretary

Designation of Manager, National Communications System

AGENCY: Office of the Secretary, Department of Homeland Security.

ACTION: Notice.

SUMMARY: The Secretary of Homeland Security announces the designation of the Under Secretary for Preparedness, Directorate for Preparedness, as the Manager, National Communications System (NCS).

DATES: The designation of the Manager, National Communications System, is effective August 15, 2006.

FOR FURTHER INFORMATION CONTACT: Ms. Marilyn Witcher, Chief, Industry, Government, and External Affairs, National Communications System, telephone (703) 235-5515, e-mail: Marilyn.Witcher@dhs.gov or write the Deputy Manager, National Communications System, PREP/CS&T/NCS/N5, Mail Stop 8500, Department of Homeland Security, 245 Murray Lane, Building 410, Washington, DC 20528-8500.

SUPPLEMENTARY INFORMATION: This designation is issued in accordance with section 1(e)(1) of Executive Order 12472 of April 3, 1984, as amended by section 46 of Executive Order 13286 of February 28, 2003. It supersedes the designation to the Assistant Secretary of Homeland Security for Infrastructure Protection.

The NCS consists of the telecommunications assets of the entities represented on the NCS Committee of Principals and an administrative structure consisting of the Executive Agent, the NCS Committee of Principals, and the Manager. The mission of the NCS is to assist the President, the National Security Council, the Homeland Security Council, the Director of the Office of Science and Technology Policy, and the Director of the Office of Management and Budget in:

(1) The exercise of designated telecommunications functions and responsibilities; and

(2) The coordination of the planning for and provision of national security and emergency preparedness communications for the Federal Government under all circumstances, including crisis or emergency, attack, recovery, and reconstitution.

As stated in Section 1(g) of Executive Order 12472 of April 3, 1984, as amended, the Manager, NCS, shall develop for consideration by the NCS Committee of Principals and the Executive Agent:

(1) A recommended evolutionary telecommunications architecture designed to meet current and future Federal Government national security and emergency preparedness telecommunications requirements;

(2) Plans and procedures for the management, allocation, and use,

including the establishment of priorities or preferences, of federally owned or leased telecommunications assets under all conditions of crisis or emergency;

(3) Plans, procedures, and standards for minimizing or removing technical impediments to the interoperability of government-owned and/or commercially-provided telecommunications systems;

(4) Test and exercise programs and procedures for the evaluation of the capability of the Nation's telecommunications resources to meet national security or emergency preparedness telecommunications requirements; and

(5) Alternative mechanisms for funding, through the budget review process, national security or emergency preparedness telecommunications initiatives that benefit multiple Federal departments, agencies, or entities. Those mechanisms recommended by the NCS Committee of Principals and the Executive Agent shall be submitted to the Director of the Office of Management and Budget.

The Manager shall also:

(1) Implement and administer any approved plans or programs as assigned, including any system of priorities and preferences for the provision of communications service, in consultation with the NCS Committee of Principals and the Federal Communications Commission, to the extent practicable or otherwise required by law or regulation;

(2) Chair the NCS Committee of Principals and provide staff support and technical assistance thereto;

(3) Serve as a focal point for joint industry-government planning, including the dissemination of technical information, concerning the national security or emergency preparedness telecommunications requirements of the Federal Government;

(4) Conduct technical studies or analyses, and examine research and development programs, for the purpose of identifying, for consideration by the NCS Committee of Principals and the Executive Agent, improved approaches that may assist Federal entities in fulfilling national security or emergency preparedness telecommunications objectives;

(5) Pursuant to the Federal Standardization Program of the General Services Administration, and in consultation with other appropriate entities of the Federal Government including the NCS Committee of Principals, manage the Federal Telecommunications Standards Program, ensuring wherever feasible that existing or evolving industry, national, and international standards are

used as the basis for Federal telecommunications standards; and

(6) Provide such reports and perform such other duties as are from time to time assigned by the President or his authorized designee, the Executive Agent, or the NCS Committee of Principals. Any such assignments of responsibility to, or reports made by, the Manager shall be transmitted through the Executive Agent.

Designation: In accordance with section 1(e)(1) of Executive Order 12472 of April 3, 1984, as amended by section 46 of Executive Order 13286 of February 28, 2003, and as the designated Executive Agent for the National Communications System, Department of Homeland Security, I designate the position Under Secretary for Preparedness, Directorate for Preparedness, as the Manager, National Communications System. This designation supersedes the prior designation to the Assistant Secretary of Homeland Security for Infrastructure Protection.

Dated: September 28, 2006.

Michael Chertoff,

Secretary of Homeland Security.
