**SUPPLEMENTARY INFORMATION:** Pursuant to Section 315 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1745), Peter W. Ware, Jr., has filed an application requesting the United States issue a recordable disclaimer of interest. The disclaimer of interest has been requested to disclaim and release all interest that the United States might have to a stock driveway, as reserved in Patent No. 11-2006-0007 dated January 4, 2006, to wit:

"A right-of-way to the United States over and across a 100 foot strip measured parallel and adjacent to the east boundary of the SE $\frac{1}{4}$ NE $\frac{1}{4}$  of said Section 25, T. 5 N., R. 2 W., and extending south 100 feet into the NE $\frac{1}{4}$ SE $\frac{1}{4}$  of said Section 25; thence east parallel and adjacent to the north boundary of the NE $\frac{1}{4}$ SE $\frac{1}{4}$  of said Section 25 and Lot 3 of said Section 30, T. 5 N., R. 1 W., to a point 100 feet west of the east boundary of said Lot 3; thence south parallel and adjacent to the east boundary of said Lot 3 and extending south 100 feet into Lot 4 of said section 30 and then east 100 feet parallel and adjacent to the north boundary of said Lot 4, for stock driveway purposes."

Based on a field exam and report prepared by the BLM's Four Rivers Field Office, the reservation is no longer needed to provide access to the public land because re-conveyance of adjacent private land to the United States has provided access to a previously land-locked parcel of public land. Also, development in the area has resulted in public roads providing a more efficient method of moving livestock between properties. Therefore, the application by Peter W. Ware, Jr. for a disclaimer for the stock driveway reservation in Patent No. 11-2006-0007 from the United States will be approved if no valid objection is received. This action will clear a cloud on the title of Roy and Donna Johnson's and Willowbrook Development Partners II, LLC's land.

Comments, including names and street addresses of respondents will be available for public review at the Idaho State Office, Bureau of Land Management, 1387 S. Vinnell Way, Boise, Idaho during regular business hours 9 a.m. to 4 p.m. Monday through Friday, except holidays. Individual respondents may request confidentiality. If you wish to withhold your name or address from public review or from disclosure under the

Freedom of Information Act, you must state this prominently at the beginning of your comments. Such requests will be honored to the extent allowed by law. All submissions from organizations or businesses and from individuals identifying themselves as representatives or officials of organizations or businesses will be made available for public inspection in their entirety.

Speakers must submit a written copy of their statement to the address listed in the ADDRESSES section or bring a written copy to the meeting.

Participation in the Advisory Board meeting is not a prerequisite for submission of written comments. The BLM invites written comments from all interested parties. Your written comments should be specific and explain the reason for any recommendations. The BLM appreciates any and all comments, but those most useful and likely to influence decisions on management and protection of wild horses and burros are those that are either supported by quantitative information or studies or those that include citations to an analysis of applicable laws and regulations. Except for comments provided in electronic format, speakers should submit two copies of their written comments where feasible. The BLM will not necessarily consider comments received after the time indicated under the DATES section or at locations other than that listed in the ADDRESSES section.

In the event there is a request under the Freedom of Information Act (FOIA) for a copy of your comments, the BLM will make them available in their entirety, including your name and address. However, if you do not want the BLM to release your name and address in response to a FOIA request, you must state this prominently at the beginning of your comment. #### Direct Sale of Public Land, Mud Springs, Hidalgo County, NM

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of realty action.

**SUMMARY:** The Bureau of Land Management (BLM) proposes to sell directly to Hollis and Dorothy Vaughn a parcel of public land in Hidalgo County, New Mexico, pursuant to sections 203 and 209 of the Federal Land Policy and Management Act of 1976 (FLPMA), at not less than the appraised market value.

**DATES:** Comments must be received by not later than April 24, 2006.

**ADDRESSES:** Comments should be sent to the District Manager, BLM, Las Cruces District Office, 1800 Marquess, Las Cruces, NM 88005.

**FOR FURTHER INFORMATION CONTACT:** Lori Allen, Realty Specialist, at (505) 525-4454 or by e-mail at [Lori\\_Allen@nm.blm.gov](mailto:Lori_Allen@nm.blm.gov).

**SUPPLEMENTARY INFORMATION:** The public land proposed for sale is described as follows:

#### **New Mexico Principal Meridian**

T. 18 S., R. 20 W.,

Sec. 12, N $\frac{1}{2}$ NW $\frac{1}{4}$ NE $\frac{1}{4}$ SW $\frac{1}{4}$ .

The area described contains 5 acres, more or less.

The appraised market value for this parcel is \$3,000. The Mimbres Resource Management Plan dated December 1993 makes allowance for a direct sale when the public interest would be served. In this case, the BLM authorized officer finds that the public interest would be best served by a direct sale to Hollis and Dorothy Vaughn to resolve an unintentional, unauthorized occupancy of public land managed by the BLM. In accordance with 43 CFR 2710.0-6(c)(3)(iii) and 43 CFR 2711.3-3(a), direct sale procedures are appropriate to resolve an inadvertent unauthorized occupancy of the land and to protect existing equities in the land. The unauthorized occupancy involves the encroachment of a large metal barn, corrals, and ranch equipment currently used by Hollis and Dorothy Vaughn. The Vaughns own the private property adjacent to the subject BLM parcel. The initial occupancy began when a previous private landowner built the improvements on the public land assuming it was part of their adjacent private ownership. Access to the subject BLM parcel is through private property owned by the Vaughns. The sale would assemble the public land to the Vaughn property, protect the improvements placed on the land by the previous private landowner, and resolve an inadvertent trespass. The parcel is the minimum size possible to ensure that all of the improvements are included. The proponent, Hollis and Dorothy Vaughn, will be allowed 30 days from receipt of a written offer to submit a deposit of at
