SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-53393; File No. SR-CBOE-2006-18]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change and Amendment No. 2 Thereto Relating to Implementation of the PAR Official Program

March 1, 2006.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 17, 2006, the Chicago Board Options Exchange, Incorporated ("Exchange" or "CBOE") filed with the Securities and Exchange Commission ("Commission")

the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. On February 24, 2006, CBOE filed Amendment No. 1 to the proposed rule change. On February 28, 2006, CBOE withdrew Amendment No. 1 and filed Amendment No. 2 to the proposed rule change.³ CBOE has designated this proposal as non-controversial under Section 19(b)(3)(A)(iii) of the Act⁴ and Rule 19b-4(f)(6) thereunder,⁵ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its rules relating to the implementation of the PAR Official program to extend the deadline for implementation to March 24, 2006. In addition, the Exchange proposes to amend and re-issue regulatory circular RG05-116, DPM Obligations Until the Implementation of the PAR Official Program, to incorporate the revised deadline. The text of the proposed rule change follows, with additions in *italics* and deletions in [brackets]. The text of the proposed regulatory circular is available at CBOE's Web site (<http://www.cboe.org/legal/default.aspx>), at CBOE's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to extend the Exchange's deadline for assigning a PAR Official to all applicable trading stations from February 16, 2006 to March 24, 2006.⁶ On November 18, 2005 ("approval date"), the Commission approved

⁶ See CBOE Rule 7.12, Interpretation and Policy .01.

⁵ 17 CFR 200.30-3(a)(1).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

CBOE's proposal to remove a DPM's obligation to execute orders as an agent, including as a floor broker, in its allocated securities on the Exchange in any trading station and to allow the Exchange to appoint an Exchange employee or independent contractor ("PAR Official") to assume many of the functions and obligations that DPMs previously held ("PAR Official Rule Change").⁷

Among other things, the PAR Official Rule Change gave the Exchange ninety days after the approval date to implement the PAR Official Rule Change or, more specifically, to ensure that a PAR Official was assigned to each DPM trading station. The 90-day implementation period ended on February 16, 2006.⁸ In addition, the PAR Official Rule Change exempted DPM organizations for the same period of time from complying with the seat ownership requirement of CBOE Rule 8.85(e) under certain circumstances.⁹ Specifically, CBOE Rule 8.85(e) provides, in part, that a DPM organization will be exempt until February 16, 2006 from the requirement to own at least one Exchange membership for each trading location that the DPM organization is the appointed DPM.

The Exchange has determined that, primarily due to the lengthy process involved in hiring and properly training a sufficient number of personnel to adequately assume all PAR Official functions, the Exchange will require additional time to assign PAR Officials to each DPM trading station. As such, the Exchange proposes to extend both the PAR Official implementation deadline and the seat ownership exemption deadline to March 24, 2006.

Because the Exchange anticipated that PAR Officials would not be assigned to all DPM trading stations immediately upon the approval of the PAR Official Rule Change, the Exchange issued a regulatory circular that had the effect of subjecting any such DPMs to the same rules and obligations that governed DPM operations and that were eliminated with the approval of the rule

change.¹⁰ Concurrent with the filing of this proposed rule change, the Exchange also proposes to reissue the aforementioned regulatory circular, amended to reflect the new March 24, 2006 deadline.

2. Statutory Basis

The Exchange believes that, because the proposed rule change will refine and enhance its members' abilities to meet certain regulatory requirements, the proposed rule change is consistent with Section 6(b)¹¹ of the Act in general, and furthers the objectives of Section 6(b)(5)¹² in particular, in that it is designed to promote just and equitable principles of trade and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change, as amended, has become effective pursuant to Section 19(b)(3)(A) of the Act¹³ and Rule 19b-4(f)(6)¹⁴ thereunder because it (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) does not become operative for 30 days from the date on which it was filed, or such shorter time as the

Commission may designate, provided that the self-regulatory organization has given the Commission written notice of its intent to file the proposed rule change at least five business days prior to the filing date of the proposed rule change, or such shorter time as the Commission may designate.

The Exchange has requested that the Commission waive the five-day pre-filing requirement and the 30-day operative delay of Rule 19b-4(f)(6)(iii) so that the proposed rule change may become effective immediately. The Commission believes that waiving the pre-filing requirement and the operative delay is consistent with the protection of investors and the public interest because it would allow the Exchange's transition to the use of PAR Officials to continue. In addition, this proposed rule change is necessary for those DPMs that continue to operate under the pre-PAR Official program rules. Therefore, the Commission has determined to waive the pre-filing requirement and the operative delay and allow the proposed rule change to become operative immediately.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change, as amended, is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File No. SR-CBOE-2006-18 on the subject line.

⁹ CBOE Rule 8.85(e) provides in part that a DPM organization will be exempt from the seat ownership requirement under Rule 8.85(e) if the DPM organization fell out of compliance because the Exchange membership used to satisfy the requirement was, at the time the DPM organization fell out of compliance, held by an individual whose affiliation with the DPM organization was terminated as a result of the implementation of the PAR Official Rule; Rule 7.12.

¹⁰ See CBOE Regulatory Circular RG05-116, DPM Obligations Until the Implementation of the PAR Official Program, dated November 18, 2005.

Immediately upon approval of the PAR Official Rule Change, the Exchange filed the regulatory circular with the Commission pursuant to Section 19(b)(3)(A)(iii) of the Act, 15 U.S.C. 78s(b)(3)(A)(iii), and Rule 19b-4(f)(6) thereunder, 17 CFR 240.19b-4(f)(6). The regulatory circular governed the operations of those DPMs that were not immediately included in the PAR Official conversion as of November 18, 2005, and the rules and obligations set forth therein were adopted directly from the former (that is, the pre-PAR Official Rule Change) DPM rules.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-53395; File Nos. SR-DTC-2006-04, SR-FICC-2006-01, and SR-NSCC-2006-01]

Self-Regulatory Organizations; The Depository Trust Company, Fixed Income Clearing Corporation, and National Securities Clearing Corporation; Notice of Filing and Order Granting Accelerated Approval of a Proposed Rule Change To Exclude Non-U.S.-Based Central Securities Depositories From a Requirement To Purchase Shares of the Common Stock of The Depository Trust & Clearing Corporation

March 2, 2006.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934

("Act"),¹ notice is hereby given that on February 9, 2006, The Depository Trust Company ("DTC"), the Fixed Income Clearing Corporation ("FICC"), and the National Securities Clearing Corporation ("NSCC") filed with the Securities and Exchange Commission ("Commission") proposed rule changes SR-DTC-2006-04, SR-FICC-2006-01, and SR-NSCC-2006-01 as described in Items I, II, and III below, which items have been prepared primarily by DTC, FICC, and NSCC. The Commission is publishing this notice and order to solicit comments on the proposed rule changes from interested parties and to grant accelerated approval of the proposed rule changes.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

DTC, FICC, and NSCC are seeking to exclude non-U.S.-based central securities depositories from the requirement to purchase shares of the common stock of The Depository Trust & Clearing Corporation ("DTCC").

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, DTC, FICC, and NSCC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. DTC, FICC, and NSCC have prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.²

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

DTCC is a holding company parent of DTC, FICC, and NSCC, each a clearing agency registered with the Commission. In 2005, amendments were made to DTCC's Shareholders Agreement and new provisions were added to the rules of each of the three clearing agencies pursuant to which participants of DTC, FICC, and NSCC that make full use of the services of one or more of the clearing agencies will be required to purchase DTCC common shares ("Mandatory Purchaser Participants"). Other participants that make only limited use of the services of one or

more of the clearing agencies will have the right but not the obligation to purchase DTCC common shares ("Voluntary Purchaser Participants").³

The purpose of those amendments to DTCC's Shareholders Agreement and revisions to the agency rules was to help ensure that participants continue to govern and to control the activities of DTC, FICC, and NSCC, including the services provided, service fees charged, and the practice of returning to participants revenues in excess of expenses and necessary reserves, by providing that all DTCC common shares are owned by participants of the three clearing agencies.

DTCC's clearing agency subsidiaries have links with non-U.S.-based central securities depositories ("non-U.S. CSDs") in order to support the activities of the clearing agencies' participants. The definition of "Mandatory Purchaser Participant" in each of DTC, FICC, and NSCC's Rules has the unintended consequence of requiring non-U.S. CSDs to purchase DTCC common shares.⁴ Most of these non-U.S. CSDs have "free of payment" links and therefore do not expose the clearing agencies to settlement risk. In other cases, where the non-U.S. CSD is permitted to process transactions "against payment" and therefore benefits from settlement guarantees provided by the clearing agencies, there are reciprocal arrangements under which the clearing agency subsidiaries obtains the benefits of settlement guarantees provided by the non-U.S. CSD.

The purpose of the current proposed rule changes is to provide that non-U.S. CSDs would be excluded from the category of DTC, FICC, and NSCC participants that are required to purchase DTCC common shares. These entities would, however, have the right to purchase DTCC common shares.

DTC, FICC, and NSCC each believe that their proposed rule change is consistent with the requirements of Section 17A of the Act⁵ and the rules and regulations thereunder applicable to DTC, FICC, and NSCC because each believe the proposed changes to DTCC's Shareholders Agreement and to their rules will assure fair representation of DTC, FICC, and NSCC's participants in the selection of their directors and the
