

will reduce your SSI payment by \$90. We may consider that to be a substantial reduction.

Example 2: A Substantial Reduction Exists. You receive a title II benefit of \$550 and an SSI payment of \$73. Your PASS employment goal will result in work over the SGA level that eliminates your title II benefit but increases your SSI payment by \$90. We may consider that a substantial reduction because your work will eliminate your title II payment while only slightly increasing your SSI payment.

Example 3: A Substantial Reduction Does Not Exist. Your SSI monthly payment amount is \$603 and your PASS employment goal earnings will reduce your SSI payment by \$90. We may not consider that to be a substantial reduction.

(8) Contain a beginning date and an ending date to meet your employment goal;

(9) Give target dates for meeting milestones towards your employment goal;

(10) Show what expenses you will have and how they are reasonable and necessary to meet your employment goal;

(11) Show what money you have and will receive, how you will use or spend it to attain your employment goal, and how you will meet your living expenses; and

(12) Show how the money you set aside under the plan will be kept separate from your other funds.

(b) You must propose a reasonable ending date for your PASS. If necessary, we can help you establish an ending date, which may be different than the ending date you propose. Once the ending date is set and you begin your PASS, we may adjust or extend the ending date of your PASS based on progress towards your goal and earnings level reached.

(c) If your employment goal is self-employment, you must include a business plan that defines the business, provides a marketing strategy, details financial data, outlines the operational procedures, and describes the management plan.

(d) Your progress will be reviewed at least annually to determine if you are following the provisions of your plan.

§ 416.1225 An approved plan to achieve self-support; general.

■ 6. Section 416.1226 is revised to read as follows:

§ 416.1226 What is a plan to achieve self-support (PASS)?

(ii) Shows that you will have enough money to meet your living expenses while setting aside income or resources to reach your goal;

(6) Be limited to one employment goal; however, the employment goal may be modified and any changes related to the modification must be made to the plan;

(7) Show how the employment goal will generate sufficient earnings to substantially reduce your dependence on SSI or eliminate your need for title II disability benefits;

Example 1: A Substantial Reduction Exists. Your SSI monthly payment amount is \$101 and your PASS employment goal earnings will reduce your SSI payment by \$90. We may consider that to be a substantial reduction.

Example 2: A Substantial Reduction Exists. You receive a title II benefit of \$550 and an SSI payment of \$73. Your PASS employment goal will result in work over the SGA level that eliminates your title II benefit but increases your SSI payment by \$90. We may consider that a substantial reduction because your work will eliminate your title II payment while only slightly increasing your SSI payment.

(c) If your employment goal is self-employment, you must include a business plan that defines the business, provides a marketing strategy, details financial data, outlines the operational procedures, and describes the management plan.

(d) Your progress will be reviewed at least annually to determine if you are following the provisions of your plan.

Food and Drug Administration

21 CFR Parts 510 and 522

New Animal Drugs; Change of Sponsor; Fomepizole

AGENCY: Food and Drug Administration, HHS.

ACTION: Final rule.

SUMMARY: The Food and Drug Administration (FDA) is amending the animal drug regulations to reflect a change of sponsor for a new animal drug application (NADA) for fomepizole solution for injection from Orphan Medical, Inc., to Jazz Pharmaceuticals, Inc. The regulations are also being amended to reflect approval of a supplemental NADA to remove a vial of saline diluent from this product.

DATES: This rule is effective May 16, 2006.

FOR FURTHER INFORMATION CONTACT: Melanie R. Berson, Center for Veterinary Medicine (HFV-110), Food and Drug Administration, 7500 Standish Pl., Rockville, MD 20855, 301-827-7540, e-mail: melanie.berson@fda.hhs.gov.

SUPPLEMENTARY INFORMATION: Orphan Medical, Inc., 13911 Ridgedale Dr., suite 475, Minnetonka, MN 55305, has informed FDA that it has transferred ownership of, and all rights and interest in, NADA 141-075 for ANTIZOL-VET (fomepizole) to Jazz Pharmaceuticals, Inc., 3180 Porter Dr., Palo Alto, CA 94304. A supplement was also filed to NADA 141-075 to remove a vial of saline diluent from this product. The supplemental NADA is approved as of April 18, 2006, and the regulations are amended in 21 CFR 522.1004 to reflect the change of sponsorship, the removal of a vial of saline diluent from the product, and a current format.

Approval of this supplemental NADA did not require review of additional safety or effectiveness data or information. Therefore, a freedom of information summary is not required.

Following these changes of sponsorship, Orphan Medical, Inc., is no longer the sponsor of an approved application. Accordingly, 21 CFR 510.600(c) is being amended to remove the entries for Orphan Medical, Inc.

The agency has determined under 21 CFR 25.33(d)(1) that this action is of a type that does not individually or cumulatively have a significant effect on the human environment. Therefore, neither an environmental assessment nor an environmental impact statement is required.

This rule does not meet the definition of "rule" in 5 U.S.C. 804(3)(A) because it is a rule of "particular applicability." Therefore, it is not subject to the congressional review requirements in 5 U.S.C. 801-808.
