*Form No.:* AID 282.

*Title:* Supplier's Certificate Agreement with the U.S. Agency for International Development Invoice-and-Contract Abstract.

*Purpose:* The U.S. Agency for International Development (USAID) finances goods and related services under its Commodity Import Program which are contracted for by public and private entities in the countries receiving the USAID Assistance. Since USAID is not a party to these contracts, USAID needs some means to collect information directly from the suppliers of the goods and related services and to enable USAID to take an appropriate action against them in the event they do not comply with the applicable regulations. ## DEPARTMENT OF AGRICULTURE

### Agricultural Marketing Service

[Docket Number FV-06-318]

### United States Standards for Grades of Pineapples

**AGENCY:** Agricultural Marketing Service, USDA.

**ACTION:** Notice.

**SUMMARY:** The Agricultural Marketing Service (AMS), prior to undertaking research and other work associated with revising official grade standards, is soliciting comments on the possible revisions of the United States Standards for Grades of Pineapples. AMS has been reviewing the Fresh Fruit and Vegetable grade standards for usefulness in serving the industry. As a result, AMS has identified the United States Standards for Grades of Pineapples for possible revision.

AMS is proposing to revise the tolerances by replacing Table I *Shipping Point* and Table II *En Route or at*

*Destination* with numerical tolerances. These tables utilize acceptance numbers of fruit with maximum numbers of defective permitted. These changes would simplify the inspection process and bring the pineapple standard in line with other standards which use numerical tolerances for defects. AMS is seeking comments regarding these proposed changes that may be necessary to better serve the industry.

**DATES:** Comments must be received by November 20, 2006.

**ADDRESSES:** Interested persons are invited to submit written comments to the Standardization Section, Fresh Products Branch, Fruit and Vegetable Programs, Agricultural Marketing Service, U.S. Department of Agriculture, 1400 Independence Ave., SW., Room 1661 South Building, Stop 0240, Washington, DC 20250-0240; Fax (202) 720-8871, e-mail

[FPB.DocketClerk@usda.gov](mailto:FPB.DocketClerk@usda.gov). Comments should make reference to the dates and page number of this issue of the **Federal Register** and will be made available for public inspection in the above office during regular business hours. The United States Standards for Grades of Pineapples are available either at the above address or by accessing the AMS, Fresh Products Branch Web site at: <http://www.ams.usda.gov/standards/stanfrrfv.htm>.
