#### Honey from the People's Republic of China: Extension of Time Limit for Preliminary Results of 2004/2005 New Shipper Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** January 13, 2006.

**FOR FURTHER INFORMATION CONTACT:** Kristina Boughton or Benjamin Kong; AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-8173 or (202) 482-7907, respectively.

**SUPPLEMENTARY INFORMATION:**

## Background

On December 10, 2001, the Department of Commerce (“the Department”) published in the **Federal Register** an antidumping duty order covering honey from the People’s Republic of China (“PRC”). See *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order; Honey from the People’s Republic of China*, 66 FR 63670 (December 10, 2001). The Department received timely requests from Shanghai Taiside Trading Co., Ltd. (“Taiside”) and Wuhan Shino-Food Trade Co., Ltd. (“Shino-Food”), in accordance with 19 CFR 351.214(c), for a new shipper review of the antidumping duty order on honey from the PRC, which has a December annual anniversary month and a June semi-annual anniversary month. On August 5, 2005, the Department initiated a review with respect to Taiside and Shino-Food. See *Honey from the People’s Republic of China: Initiation of New Shipper Antidumping Duty Review*, 70 FR 45367 (August 5, 2005).

The Department has issued its antidumping duty questionnaire and supplemental questionnaires to Taiside and Shino-Food. The deadline for completion of the preliminary results is currently January 30, 2006.

## Extension of Time Limits for Preliminary Results

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (“the Act”), and 19 CFR 351.214(i)(1) require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated and final results of a review within 90 days after the date on which the preliminary results were issued. The Department may, however, extend the deadline for completion of the preliminary results of a new shipper review to 300 days if it determines that the case is extraordinarily complicated. See 19 CFR 351.214(i)(2).

Pursuant to section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2), the Department determines that this review is extraordinarily complicated and that it is not practicable to complete the new shipper review within the current time limit. Specifically, the Department requires additional time to analyze all questionnaire responses and to conduct verification of the responses submitted to date. In addition, there are complicated issues surrounding the Department’s calculation of normal value, particularly with respect to the valuation of raw honey. Accordingly,

the Department is extending the time limit for the completion of the preliminary results by 62 days to March 31, 2006, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2). The final results, in turn, will be due 90 days after the date of issuance of the preliminary results, unless extended.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: January 6, 2006.

*Deputy Assistant Secretary for Import Administration.*

### Notice of Final Determination of Sales at Less Than Fair Value and Affirmative Final Determination of Critical Circumstances: Certain Orange Juice from Brazil

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** January 13, 2006.

**SUMMARY:** On August 24, 2005, the Department of Commerce published its preliminary determination of sales at less than fair value (LTFV) in the antidumping duty investigation of certain orange juice from Brazil. The period of investigation (POI) is October 1, 2003, through September 30, 2004.

Based on our analysis of the comments received, we have made changes in the margin calculations. Therefore, the final determination differs from the preliminary determination. The final weighted-average dumping margins for the investigated companies are listed below in the section entitled “Final Determination Margins.” In addition, we have determined that Coinbra Frutesp S.A. (Coinbra-Frutesp) is the successor-in-interest to Frutropic S.A. (Frutropic) and, thus, its production and/or exports of frozen concentrated orange juice for further manufacture (FCOJM) are covered by the scope of this proceeding. Finally, we determine that critical circumstances exist with regard to certain exports of subject merchandise from Brazil.

**FOR FURTHER INFORMATION CONTACT:** Elizabeth Eastwood or Jill Pollack, Import Administration, International Trade Administration, U.S. Department

of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-3874 or (202) 482-4593, respectively.

## SUPPLEMENTARY INFORMATION:

### Final Determination:

We determine that certain orange juice from Brazil is being, or is likely to be, sold in the United States at LTFV, as provided in section 735 of the Tariff Act of 1930, as amended (the Act). The estimated margins of sales of LTFV are shown in the “Continuation of Suspension of Liquidation” section of this notice. In addition, we determine that there is a reasonable basis to believe or suspect that critical circumstances exist with respect to imports of the subject merchandise produced by Sucocitric Cutrale, S.A. (Cutrale), Montecitrus Trading S.A. (Montecitrus), and companies covered by the “All Others” rate. However, we determine that there is no reasonable basis to believe or suspect that critical circumstances exist with respect to imports of the subject merchandise produced by Fischer S/A - Agroindustria (Fischer). Finally, we determine that Coinbra-Frutesp is the successor-in-interest to Frutropic,<sup>1</sup> and thus its production and exports of FCOJM are covered by the scope of this proceeding.

### Case History

The preliminary determination in this investigation was published on August 24, 2005. See *Notice of Preliminary Determination of Sales at Less Than Fair Value, Postponement of Final Determination, and Affirmative Preliminary Critical Circumstances Determination: Certain Orange Juice from Brazil*, 70 FR 49557 (Aug. 24, 2005) (*Preliminary Determination*).

Since the preliminary determination, the following events have occurred.

From August through October 2005, we verified the questionnaire responses of the two participating respondents in this case, Cutrale and Fischer.

In November 2005, we received case briefs from the petitioners,<sup>2</sup> Cutrale, Fischer, and an interested party to this investigation, Louis Dreyfus Citrus, Inc. (Louis Dreyfus). We also received

<sup>1</sup> At the time of its revocation from the order, Frutropic no longer existed as a legal entity. Rather, this company had been formally dissolved and incorporated into its parent company, Coinbra. Because this change in corporate organization was limited to a change in name only, we find that all references to Frutropic apply equally to Coinbra.

<sup>2</sup> The petitioners in this investigation are Florida Citrus Mutual, A. Duda & Sons, Inc. (doing business as Citrus Belle), Citrus World, Inc., and Southern Garden Citrus Processing Corporation (doing business as Southern Gardens).
