SUPPLEMENTARY INFORMATION:

Authority To Grant Waivers

Chapter 9 of Title II of the Emergency Supplemental Appropriations Act for Defense, the Global War on Terror, and Hurricane Recovery, 2006 (Pub. L. 109-234, approved June 15, 2006) (Public Law 109-234) appropriates \$5.2 billion in Community Development Block Grant funds for necessary expenses related to disaster relief, long-term recovery, and restoration of infrastructure directly related to the consequences of the covered disasters. Public Law 109-234 authorizes the Secretary to waive, or specify alternative requirements for, any provision of any statute or regulation that the Secretary administers in connection with the obligation by the Secretary or use by the recipient of these funds and guarantees, except for requirements related to fair housing, nondiscrimination, labor standards, and the environment, upon a request by the State and a finding by the Secretary that such a waiver would not be inconsistent with the overall purpose of the statute. The following application and reporting waivers and alternative requirements are in response to requests from the States receiving an allocation under this notice.

The Secretary finds that the following waivers and alternative requirements, as described below, are not inconsistent with the overall purpose of Title I of the Housing and Community Development Act of 1974, as amended, or the Cranston-Gonzalez National Affordable Housing Act, as amended.

Under the requirements of the Department of Housing and Urban Development Act, as amended (42 U.S.C. 3535(q)), regulatory waivers must be published in the **Federal Register**.

Except as described in this and other notices applicable to this grant, statutory and regulatory provisions governing the Community Development Block Grant program for States, including those at 24 CFR part 570, shall apply to the use of these funds. In accordance with Public Law 109-234, HUD will reconsider every waiver in this notice on the two-year anniversary of the day this notice is published.
