

port of entry of New Orleans, Louisiana, and the pre-flight inspection location of Halifax, Nova Scotia, Canada, as locations at which the Department of Homeland Security will begin biometric screening of arriving aliens using the United States Visitor and Immigrant Status Indicator Technology Program.

EFFECTIVE DATES: This notice is effective August 15, 2006 for Fresno, California, on or before October 1, 2006, for Halifax, Nova Scotia, Canada and October 15, 2006, for New Orleans, Louisiana.

FOR FURTHER INFORMATION CONTACT: Mark Rouse or Craig Howie, Senior Policy Advisors, US-VISIT, Department of Homeland Security, 1616 Fort Myer Drive, 18th Floor, Arlington, Virginia 22209, (202) 298-5200.

SUPPLEMENTARY INFORMATION: On January 5, 2004, the Department of Homeland Security (DHS) established the United States Visitor and Immigrant Status Indicator Technology (US-VISIT) Program in accordance with several statutory mandates that collectively require DHS to create an integrated, automated biometric entry and exit system that records the arrival and departure of aliens; verifies the identities of aliens; and authenticates travel documents presented by such aliens through the comparison of biometric identifiers. Aliens subject to US-VISIT may be required to provide fingerprints, photographs, or other biometric identifiers upon arrival in, or departure from, the United States. See 69 FR 468 (Jan. 5, 2004) and 69 FR 53318 (Aug. 31, 2004) for information on the background, legal mandates, and legal requirements of the US-VISIT Program. Additional information on US-VISIT and the most up-to-date list of ports of entry where US-VISIT is operational can be found on the Internet at <http://www.dhs.gov/dhspublic/display?theme=91>.

DHS regulations at 8 CFR 235.1(d)(1)(ii) note that DHS will designate by notice in the **Federal Register** ports of entry where aliens will be required to provide fingerprints, photograph(s), or other specified biometric identifiers during the inspection process when applying for entry or admission into the United States. This notice fulfills the requirements of 8 CFR 235.1(d)(1)(ii).

This Notice makes no changes to existing US-VISIT requirements, processes, or classifications of aliens subject to or exempt from US-VISIT biometric screening. This Notice merely identifies additional ports of entry and a pre-flight inspection location that will be using US-VISIT biometric screening.

US-VISIT biometric screening will begin at Fresno, Halifax, and New Orleans as follows:

Fresno, California (Fresno-Yosemite International Airport), which will begin biometric screening on August 15, 2006.

Halifax, Nova Scotia, Canada (Halifax International Airport, Pre-Flight Inspection), which will begin biometric screening on or before October 1, 2006. Halifax is the eighth pre-flight screening location in Canada to use US-VISIT biometric screening.

New Orleans, Louisiana (Erato Street Cruise Terminal), which will begin biometric screening on October 15, 2006.

DHS notes the date of October 1, 2006, for Halifax is an estimate. It is possible that the pre-flight inspection facilities in Halifax will be ready prior to October 1, 2006. Should Halifax pre-flight inspection be ready before October 1, 2006, or if the opening of this pre-flight inspection facility is delayed beyond October 1, 2006, a revised estimated start date will be posted on the US-VISIT Internet site at the address noted above. Further, DHS will communicate the exact date Halifax will begin US-VISIT biometric screening directly to local area news media, civic organizations, and the transportation and travel industry once that date has been established.

Dated: August 7, 2006.

Michael Chertoff,
Secretary.

Bureau of Customs and Border Protection

Request for Applicants for Appointment to the Departmental Advisory Committee on Commercial Operations of Customs and Border Protection and Related Homeland Security Functions (COAC)

AGENCY: Customs and Border Protection, Department of Homeland Security.

ACTION: Committee Management; request for applicants for appointment to the Departmental Advisory Committee on Commercial Operations of Customs and Border Protection and Related Homeland Security Functions (COAC); technical correction.

SUMMARY: This document contains a technical correction to a Notice which was published in the **Federal Register** on Monday, July 17, 2006 in which Customs and Border Protection (CBP) requests individuals who are interested in serving on the Departmental Advisory Committee on Commercial Operations of Customs and Border Protection and Related Homeland Security Functions (formerly known as the "Commercial Operations Advisory Committee" and popularly still known as "COAC") to apply for appointment.

DATES: Correction is effective retroactively from July 17, 2006.

FOR FURTHER INFORMATION CONTACT: Ms. Wanda J. Tate, Program Management Specialist, Office of Trade Relations, Customs and Border Protection, (202) 344-1440, FAX (202) 344-1969.

SUPPLEMENTARY INFORMATION:

Background

On Monday, July 17, 2006, CBP published a Notice in the **Federal Register** (71 FR 40528) stating that Customs and Border Protection (CBP) is

requesting individuals who are interested in serving on the Departmental Advisory Committee on Commercial Operations of Customs and Border Protection and Related Homeland Security Functions (formerly known as the "Commercial Operations Advisory Committee" and popularly still known as "COAC") to apply for appointment.

This correction concerns the section entitled "Committee Membership," specifically, the fourth paragraph of the third column on page 40529, which announced that the applicant would serve as a Special Government Employee (SGE) and that the applicant would also be required to complete a Confidential Financial Disclosure Report (OEG Form 450). Because members of the Committee are not considered Federal Government employees for any purpose, having them serve in the capacity of an SGE is incorrect. Further, there is no requirement to complete a Confidential Disclosure Report. Accordingly, this document corrects that notice by eliminating this paragraph from the document.

Correction of Publication

Accordingly, the publication on Monday, July 17, 2006 of the Notice, which was the subject of FR Doc. E6-11285, is corrected as follows: On page 40529, in the third column, the fourth paragraph under the heading "Committee Membership" is deleted in its entirety.

Dated: August 9, 2006.

Lawrence J. Rosenzweig,

Acting Director, Office of Trade Relations, Bureau of Customs and Border Protection.
