

Availability of Additional Information

Additional information about the project is available from the Commission's Office of External Affairs at 1-866-208 FERC (3372) or on the FERC Internet Web site (<http://www.ferc.gov>) using the eLibrary link. Click on the eLibrary link, click on "General Search", and enter the docket number excluding the last three digits in the Docket Number field. Be sure you have selected an appropriate date range. For assistance, please contact FERC Online Support at FERCOnlineSupport@ferc.gov or toll free at 1-866-208-3676, or for TTY, contact (202) 502-8659. The eLibrary link on the FERC Internet Web site also provides access to the texts of formal documents issued by the Commission, such as orders, notices, and rule makings.

In addition, the FERC now offers a free service called eSubscription that allows you to keep track of all formal issuances and submittals in specific dockets. This can reduce the amount of time you spend researching proceedings by automatically providing you with notification of these filings, document summaries, and direct links to the documents. To register for this service, go to the eSubscription link on the FERC Internet Web site.

Information concerning the proposed land use plan amendment and the involvement of the BLM in the EA and plan amendment process may be obtained from Mark Mackiewicz, PMP, Project Manager, at (435) 636-3616.

Finally, WIC will be setting up a publicly available Web site for its project. The Web site will include a description of the project, responses to frequently asked questions, and other appropriate project-related information. WIC will continually update its Web site with information about the project. WIC has designated the following individual as the single point of contact for stakeholder communication for this project: Mr. David R. Anderson, Manager, Land Department, Wyoming Interstate Company, Ltd., Two North Nevada Avenue, Colorado Springs, Colorado 80903, Telephone 1-877-598-5263, e-mail: david.r.anderson@elpaso.com.
