[Docket No. 040112010-4114-02; I.D. 071306B]

Magnuson-Stevens Act Provisions; Fisheries of the Northeastern United States; Northeast Multispecies Fishery; Fishing Year 2006 Georges Bank Cod Hook Sector Operations Plan

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; approval of operations plan.

SUMMARY: NMFS announces approval of additional provisions of the 2006 Georges Bank (GB) Hook Sector (Sector) Operations Plan, consistent with regulations implementing Amendment 13, as modified by Framework Adjustment 40-B to the Northeast (NE) Multispecies Fishery Management Plan (FMP) for fishing year (FY) 2006. The intent is to allow regulated harvest of groundfish by the GB Cod Hook Sector (Sector), consistent with the objectives of the FMP.

DATES: Effective July 25, 2006 through April 30, 2007.

ADDRESSES: Copies of the Sector Operations Plan and the Supplemental Environmental Assessment (EA) are available upon request from the NE Regional Office at the following mailing address: George H. Darcy, Assistant Regional Administrator for Sustainable Fisheries, NMFS, Northeast Regional Office, 1 Blackburn Drive, Gloucester, MA 01930. These documents may also be requested by calling (978) 281-9135.

FOR FURTHER INFORMATION CONTACT: Mark Grant, Fishery Management Specialist, phone (978) 281-9145, fax (978) 281-9135, e-mail Mark.Grant@NOAA.gov.

SUPPLEMENTARY INFORMATION: The final rule implementing Amendment 13 to the FMP (69 FR 22906, April 27, 2004) specified a process for the formation of

sectors within the NE multispecies fishery and the allocation of total allowable catch (TAC) for a specific groundfish species, implemented restrictions that apply to all sectors, authorized the Sector, established the GB Cod Hook Sector Area (Sector Area), and specified a formula for the allocation of GB cod TAC to the Sector. Framework Adjustment 40-B (70 FR 31323, June 1, 2005) modified that process by allowing any vessel, regardless of gear used in previous fishing years, to join the Sector. All landings of GB cod by Sector participants, regardless of gear previously used, are used to determine the Sector's GB cod allocation for a particular fishing year.

In accordance with the regulations that specify the process of Sector approval, on March 8, 2006, the Sector submitted to NMFS a final version of its 2006 Operations Plan, Sector Agreement, and a Supplemental EA that analyzes the impacts of the proposed Operations Plan. With three substantive exceptions, the proposed FY 2006 Sector Operations Plan contained the same elements as the approved FY 2005 Sector Operations Plan. These exceptions are proposed exemptions from the differential DAS counting requirements, from the DAS Leasing Program vessel size restrictions, and from the 72-hr observer notification requirement. Rationale by the Sector for these proposed exemptions can be found in the **Federal Register** notice soliciting public comment on the FY 2006 GB Cod Hook Sector Operations Plan and Agreement (71 FR 16122, March 30, 2006).

NMFS previously approved the continuation of all provisions from the FY 2005 Sector Operations Plan for FY 2006 and approved the exemption from the 72-hr observer notification requirement (71 FR 25569, May 1, 2006). Based on public comment, and given the importance of effort control in the NE multispecies fishery, NMFS withheld approval of exemptions from differential DAS counting and DAS Leasing Program vessel size restrictions until the New England Fishery Management Council (Council) had the opportunity to discuss the merit of such exemptions.

At its June 13-15, 2006, meeting, the Council discussed the exemptions from differential DAS counting and the DAS Leasing Program size restrictions and considered the Sector's rationale for these exemptions. Both exemptions were endorsed by the Council, for FY 2006 only, without opposition. After consideration of the proposed Sector Agreement, which contains the Sector

Contract and Operations Plan, NMFS has concluded that the Sector Agreement, including the proposed exemptions from differential DAS counting and DAS Leasing Program vessel size restrictions, is consistent with the goals of the FMP and other applicable law and is in compliance with the regulations governing the development and operation of a sector as specified under 50 CFR 648.87. Accordingly, NMFS is granting the Sector exemptions from differential DAS counting and the vessel size restrictions of the DAS Leasing Program.

Revised Letters of Authorization will be issued to members of the Sector that will include the following additional exemptions, conditional upon their compliance with the 2006 Sector Agreement: Differential DAS counting as specified at § 648.82(n)(2)(i), and the vessel size restrictions of the DAS Leasing Program as specified at § 648.82(t)(2)(ix).

Authority: 16 U.S.C. 1801 *et seq.*

Dated: July 19, 2006.

Alan D. Risenhoover,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

[I.D. 071706C]

Taking and Importing Marine Mammals; Taking Marine Mammals Incidental to Coastal Commercial Fireworks Displays at Monterey Bay National Marine Sanctuary, CA

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; issuance of a letter of authorization.

SUMMARY: In accordance with the Marine Mammal Protection Act (MMPA) and implementing regulations, notification is hereby given that a 1-year letter of authorization (LOA) has been issued to the Monterey Bay National Marine Sanctuary (MBNMS or the Sanctuary) to incidentally take, by Level B Harassment only, California sea lions and Pacific harbor seals incidental to authorizing professional fireworks displays within the Sanctuary in California waters.

DATES: The LOA will be effective from July 4, 2006, through July 3, 2007.

ADDRESSES: The LOA and supporting documentation are available by writing to Michael Payne, Chief, Permits, Conservation, and Education Division, Office of Protected Resources, National Marine Fisheries Service, 1315 East-West Highway, Silver Spring, MD 20910-3225, by telephoning one of the contacts listed here (see **FOR FURTHER INFORMATION CONTACT**), or online at: <http://www.nmfs.noaa.gov/pr/permits/incidental.htm>. Documents cited in this notice may be viewed, by appointment, during regular business hours, at the aforementioned address and at the Southwest Region, NMFS, 501 West Ocean Boulevard, Suite 4200, Long Beach, CA 90802.

FOR FURTHER INFORMATION CONTACT: Jolie Harrison, Office of Protected Resources, NMFS, (301) 713-2289, or Monica DeAngelis, Southwest Regional Office, NMFS, (562) 980-4023.

SUPPLEMENTARY INFORMATION:

Background

Section 101(a)(5)(A) of the MMPA (16 U.S.C. 1361 *et seq.*) directs NMFS to allow, on request, the incidental, but not intentional, taking of small numbers of marine mammals by U.S. citizens who engage in a specified activity (other than commercial fishing) within a specified geographical region if certain findings are made and regulations are issued. Under the MMPA, the term "taking" means to harass, hunt, capture, or kill or to attempt to harass, hunt, capture or kill marine mammals.

Authorization may be granted for periods up to 5 years if NMFS finds, after notification and opportunity for public comment, that the taking will have a negligible impact on the species or stock(s) of marine mammals and will not have an unmitigable adverse impact on the availability of the species or stock(s) for subsistence uses. In addition, NMFS must prescribe regulations that include permissible methods of taking and other means affecting the least practicable adverse impact on the species and its habitat and on the availability of the species for subsistence uses, paying particular attention to rookeries, mating grounds, and areas of similar significance. The regulations must include requirements for monitoring and reporting of such taking.

Regulations governing the taking of California sea lions and Pacific harbor seals, by Level B harassment, incidental to the authorization of fireworks displays within the Sanctuary became effective on July 4, 2006 (71 FR 40928, July 19, 2006), and remain in effect until July 3, 2011. For detailed information

on this action, please refer to that document. These regulations include mitigation, monitoring, and reporting requirements for the incidental taking of marine mammals during the fireworks displays within the Sanctuary boundaries. This will be the first LOA issued pursuant to these regulations.

Authorization

Accordingly, NMFS has issued an LOA to MBNMS authorizing the Level B harassment of marine mammals incidental to the authorization of fireworks display within the Sanctuary. Issuance of this LOA is based on findings, described in the preamble to the final rule (71 FR 40928, July 19, 2006), that the activities described under this LOA will have no more than a negligible impact on marine mammal stocks and will not have an unmitigable adverse impact on the availability of the affected marine mammal stocks for subsistence uses.

Dated: July 19, 2006.

Donna Wieting,

Deputy Director, Office of Protected Resources, National Marine Fisheries Service.

BILLING CODE 5001-06-M

DEPARTMENT OF EDUCATION

Submission for OMB Review; Comment Request

AGENCY: Department of Education.

SUMMARY: The IC Clearance Official, Regulatory Information Management

Services, Office of Management invites comments on the submission for OMB review as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before August 24, 2006.

ADDRESSES: Written comments should be addressed to the Office of Information and Regulatory Affairs, Attention: Rachel Potter, Desk Officer, Department of Education, Office of Management and Budget, 725 17th Street, NW., Room 10222, New Executive Office Building, Washington, DC 20503 or faxed to (202) 395-6974.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

Dated: July 19, 2006.

Angela C. Arrington,

IC Clearance Official, Regulatory Information Management Services, Office of Management.
