

production to a foreign country during 2003, 2004 or the period of January through November 2005.

The investigation also revealed that subject firm sales of electronic imprint machines increased from 2003 to 2004 and again during the period of January through November 2005 over the corresponding period in 2004.

The investigation further revealed that employment declines at the subject firm resulted from the introduction of a like and directly competitive product line requiring less time to manufacture and less labor.

In addition, in accordance with section 246 of the Trade Act of 1974 (26 U.S.C. 2813), as amended, the Department of Labor herein presents the results of its investigation regarding certification of eligibility to apply for alternative trade adjustment assistance (ATAA) for older workers.

In order for the Department to issue a certification of eligibility to apply for ATAA, the worker group must be certified eligible to apply for trade adjustment assistance (TAA). Since the workers are denied eligibility to apply for TAA, the workers cannot be certified eligible for ATAA.

#### Conclusion

After careful review of the facts obtained, I determine that all workers of Paxar Americas, Inc., Thomas Avenue Plant, a subsidiary of Paxar Corporation, Systems Division, including on-site leased workers of Adecco, Sayre, Pennsylvania are denied eligibility to apply for adjustment assistance under section 223 of the Trade Act of 1974, and alternative trade adjustment assistance under section 246 of the Trade Act of 1974.

#### Robert Bosch Fuel Systems Kentwood, MI; Notice of Termination of Investigation

Pursuant to section 221 of the Trade Act of 1974, as amended, an investigation was initiated on January 20, 2005 in response to a worker petition filed on behalf of workers at

Robert Bosch Fuel Systems, Kentwood, Michigan.

The petitioning group of workers is covered by an earlier petition filed on December 12, 2005 (TA-W-58,496) that is the subject of an ongoing investigation for which a determination has not yet been issued. Further investigation in this case would duplicate efforts and serve no purpose; therefore the investigation under this petition has been terminated.

Signed at Washington, DC this 24th day of January 2006.

(3) either—

(A) The workers' firm is a supplier and the component parts it supplied for the firm (or subdivision) described in paragraph (2) accounted for at least 20 percent of the production or sales of the workers' firm; or
