Request for Review of An Existing  
Information Collection: SF 3112****AGENCY:** Office of Personnel  
Management.**ACTION:** Notice.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995 (Public Law 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) intends to submit to the Office of Management and Budget (OMB) a request for review of an existing information collection. Standard Form 3112, CSRS/FERS Documentation in Support of Disability Retirement Application, collects information from applicants for disability retirement so that OPM can determine whether to approve a disability retirement. The applicant will only complete Standard Forms 3112A and 3112C. Standard Forms 3112B, 3112D and 3112E will be completed by the immediate supervisor and the employing agency of the applicant.

Comments are particularly invited on: Whether this information is necessary for the proper performance of functions of the OPM, and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.

Approximately 12,100 applicants for disability retirement complete Standard Forms 3112A and 3112C annually. This is a combined figure including 9,000 CSRS and 3,100 FERS applications. The SF 3112C requires approximately 60 minutes to complete. A burden of 12,100 hours is estimated for SF 3112C. SF 3112A is used each year by approximately 1,350 persons who are not Federal employees. This is a combined figure including 1,000 CSRS and 350 FERS applications. SF 3112A requires approximately 30 minutes to complete and a burden of 675 hours is estimated for SF 3112A. The total annual burden for SF 3112 is 12,775 hours.

Management.**ACTION:** Notice.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995 (Public Law 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) intends to submit to the Office of Management and Budget (OMB) a request for review of a revised information collection. RI 92-22, Annuity Supplement Earnings Report, is used each year to obtain the earned income of each Federal Employees Retirement System (FERS) annuitant receiving an annuity supplement. The annuity supplement is paid to eligible FERS annuitants who are not retired on disability and are not yet age 62. The supplement approximates the portion of a full career Social Security benefit earned while under FERS and ends at age 62. Like Social Security benefits, the annuity supplement is subject to an earnings limitation.

Comments are particularly invited on: Whether this information is necessary for the proper performance of functions of the Office of Personnel Management, and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; and ways in which we can minimize the

burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.

We estimate 700 RI 92-22 forms are completed annually. Each form requires approximately 15 minutes to complete. The annual estimated burden is 175 hours.

RI 38-128, It's Time to Sign Up for Direct Deposit, is primarily used by OPM to give recent retirees the opportunity to waive Direct Deposit of their annuity payments. The form is sent only if the separating agency did not give the retiring employee this election opportunity. This form may also be used to enroll in Direct Deposit, which was
