

DEPARTMENT OF COMMERCE**Foreign-Trade Zones Board****[Docket 18-2006]****Foreign-Trade Zone 47 Boone County, Kentucky, Application For Foreign-Trade Subzone Status, adidas Sales, Inc. (Apparel, Footwear, and Sporting Equipment), Hebron, Kentucky**

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Northern Kentucky Foreign-Trade Zone Inc., grantee of FTZ 47, requesting special-purpose subzone status for the warehousing and distribution facilities (apparel, footwear, and sporting equipment) of adidas Sales, Inc. (adidas), located in Hebron, Kentucky. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on April 28, 2006.

The facilities for which subzone status is proposed are located at three sites in Hebron, Kentucky (62.19 acres total; 1,012,507 sq. ft. of enclosed space): Site # 1 (25 acres; 492,507 sq. ft. of enclosed space) located at 1081/1085 Aviation Boulevard; Site # 2 (12.09 acres; 205,000 sq. ft. of enclosed space) located at 2055/2095 Global Way; and Site # 3 (25.1 acres; 315,000 sq. ft. of enclosed space) located at 1505 Worldwide Boulevard. The facilities (approximately 730 employees) may be used under FTZ procedures for warehousing and distribution of apparel, footwear, and sporting equipment.

Zone procedures would allow adidas to defer Customs duty payments until merchandise is shipped from its facilities to the U.S. market. The company would be able to avoid duty on foreign merchandise which becomes scrap/waste, estimated at less than one percent of imported products. The application indicates that adidas also anticipates realizing significant logistical/procedural benefits and that savings from FTZ procedures could help improve the facilities' international competitiveness.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for

their receipt is July 10, 2006. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to July 24, 2006.

Notice of Postponement of Final Determination of Antidumping and Countervailing Duty Investigations and Extension of Provisional Measures: Certain Lined Paper Products from Indonesia

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: May 9, 2006.

FOR FURTHER INFORMATION CONTACT: Damian Felton or Brandon Farlander,

Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-0133 or (202) 482-0182, respectively.

SUPPLEMENTARY INFORMATION:**Postponement of Final Determination**

The Department of Commerce ("the Department") is postponing the final determination in the antidumping and countervailing duty investigations of certain lined paper products ("CLPP") from Indonesia. On October 6, 2005, the Department initiated the antidumping duty investigation of CLPP from Indonesia. *See Initiation of Antidumping Duty Investigation: Certain Lined Paper Products from India, Indonesia, and the People's Republic of China*, 70 FR 58374 (October 6, 2005). On October 7, 2005, the Department initiated the countervailing duty investigation of CLPP from Indonesia. *See Initiation of Countervailing Duty Investigation: Certain Lined Paper Products from India (C-533-844) and Indonesia (C-560-819)*, 70 FR 58690 (October 7, 2005).

On February 13, 2006, the Department published its affirmative countervailing duty determination. *See Notice of Preliminary Affirmative Countervailing Duty Determination: Certain Lined Paper Products from Indonesia*, 71 FR 7524 (February 13, 2006). On February 17, 2006, Petitioner submitted a letter requesting alignment of the final countervailing duty determination with the final determination in the companion antidumping investigation. On March 7, 2006, the Department published notification of alignment for the final determinations in the antidumping and countervailing duty investigations of CLPP from Indonesia. *See Certain Lined Paper Products from India and Indonesia: Alignment of First Countervailing Duty Determination With Antidumping Duty Determination*, 71 FR 11379 (March 7, 2006). On March 27, 2006, the Department published its affirmative preliminary antidumping duty determination. *See Notice of Preliminary Determination of Sales at Less Than Fair Value: Certain Lined Paper Products from Indonesia*, 71 FR 15162 (March 27, 2006). This notice states that the Department will issue its final determination no later than 75 days after the date of the preliminary determination.

Section 735(a)(2)(A) of the Tariff Act of 1930, as amended, (the Act) and 19 CFR 351.210(b)(2)(ii) provide that a final determination in an antidumping duty investigation may be postponed until no later than 135 days after the date of the

publication of the preliminary determination if, in the event of an affirmative preliminary determination, a request for such postponement is made by exporters who account for a significant proportion of exports of the subject merchandise. Additionally, the Department's regulations, at 19 CFR 351.210(e)(2)(ii), require that requests by a respondent for postponement of a final determination be accompanied by a request for an extension of the provisional measures from a four-month period to not more than six months.

On April 24, 2006, in accordance with section 735(a)(2)(A) of the Act and 19 CFR 351.210(b)(2)(ii), PT. Pabrik Kertas Tjiwi Kimia Tbk., which is the only mandatory respondent in the antidumping investigation and which accounts for a significant portion of exports of CLPP from Indonesia (see the Memorandum from Natalie Kempkey to Susan Kuhbach entitled "Antidumping Investigation of Certain Lined Paper Products from Indonesia: Selection of Respondents"), requested that the Department: (1) Postpone the final determination; and (2) extend the provisional measures period from four months to a period not longer than six months. Accordingly, pursuant to section 735(a)(2)(A) of the Act and 19 CFR 351.210(b)(2)(ii), because: (1) The preliminary determination is affirmative; (2) the requesting exporter accounts for a significant proportion of exports of the subject merchandise in this investigation; and (3) no compelling reasons for denial exist, we are postponing the final determination until no later than 135 days after the publication of the preliminary determination in the **Federal Register** (i.e., until no later than August 9, 2006). Suspension of liquidation will be extended accordingly.

In addition, because the countervailing duty investigation of CLPP from Indonesia has been aligned with the concurrent antidumping duty investigation under section 705(a)(1) of the Act, the time limit for completion of the final determination in the countervailing duty investigation will be the same date, August 9, 2006, as the final determination of the concurrent antidumping duty investigation. See *Postponement of Final Determination of Antidumping and Countervailing Duty Investigations of Hot-Rolled Flat-Rolled Carbon-Quality Steel From Brazil*, 64 FR 24321 (May 6, 1999).

This notice of postponement is published pursuant to section 735(a) of the Act and 19 CFR 351.210(g).

Dated: May 3, 2006.

David M. Spooner,

Assistant Secretary for Import Administration.

Carbazole Violet Pigment 23 from India: Notice of Rescission of Antidumping Duty New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: May 9, 2006.

SUMMARY: In response to a request from Gharda Chemicals, Ltd., on January 27, 2006, the Department of Commerce published in the **Federal Register** a notice announcing the initiation of a new shipper review of the antidumping duty order on carbazole violet pigment 23 from India covering the period December 1, 2004, through November 30, 2005. On April 21, 2006, Gharda Chemicals, Ltd., withdrew its request for a new shipper review and, therefore, we are rescinding this review.

FOR FURTHER INFORMATION CONTACT: Dmitry Vladimirov or Minoo Hatten at (202) 482-0665 and (202) 482-1690, respectively, Office 5, AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

The Department of Commerce (the Department) published the antidumping duty order on carbazole violet pigment 23 from India on December 29, 2004 (69 FR 77988). On September 22, 2005, we received a timely request for a new shipper review of the antidumping duty order on carbazole violet pigment 23 from India from Gharda

Chemicals, Ltd. (Gharda). On January 17, 2006, Gharda submitted additional information to supplement its new shipper review request in response to our January 10, 2006, letter requesting that Gharda correct certain deficiencies in its new shipper review request. Pursuant to section 751(a)(2)(B) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(d)(1), we initiated a new shipper review on January 27, 2006, for shipments of carbazole violet

pigment 23 from India produced and exported by Gharda (71 FR 4569). Gharda withdrew its request for a new shipper review on April 21, 2006.

Rescission of New Shipper Review

Section 351.214(f)(1) of the Department's regulations provides that the Department may rescind a new shipper review if the party that requested the review withdraws its request for review within sixty days of the date of publication of the notice of initiation of the requested review. Although Gharda withdrew its request after the 60-day deadline, we find it reasonable to extend the deadline because we have not yet committed significant resources to the Gharda new shipper review. Specifically, we have not started calculating a margin for Gharda and we have not yet verified Gharda's data. Further, Gharda was the only party to request the review. Finally, we have not received any submissions opposing the withdrawal of the request for the review. For these reasons, we are rescinding the new shipper review of the antidumping duty order on carbazole violet pigment 23 from India with respect to Gharda in accordance with 19 CFR 351.214(f)(1).

Notification

As of the date of the publication of this rescission notice in the **Federal Register**, we will instruct U.S. Customs and Border Protection that importers will no longer have the option of posting a bond to fulfill security requirements for shipments of carbazole violet pigment 23 from India produced and exported by Gharda and entered, or withdrawn from warehouse, for consumption in the United States. We will issue assessment instructions within 15 days of the date of the publication of this notice and, in accordance with 19 CFR 351.212(c), we will instruct U.S. Customs and Border Protection to assess antidumping duties at the cash-deposit rate in effect at the time of entry for all shipments of carbazole violet pigment 23 from India produced and exported by Gharda and entered, or withdrawn from warehouse, for consumption during the period December 1, 2004, through November 30, 2005.

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO material or conversion to judicial protective order is
