D. Non-Profit Institutions

1. Description of the Assistance

Section 105 enables USDA Rural Development to make Rural Cooperative Development Grants in designated disaster areas without a matching fund requirement. However, because the authority is restricted to a six-month period following the enactment of the law and because USDA Rural Development does not anticipate announcing grant awards until September 2006, the matching funds requirement is not being waived at this time. Should the authority to waive the matching funds requirement be extended, USDA Rural Development will contemplate reducing the matching funds requirement for successful applicants located in the designated disaster areas, as long as the proposed projects would still be viable with the reduced matching funds requirement.

2. Eligibility Criteria

Non-profit corporations and institutions of higher learning proposing cooperative development projects in rural areas are eligible to apply.

3. Statutory or Regulatory Authority

- 7 U.S.C. 1932(e);
- 7 CFR Part 4284, Subpart A, General Requirements for Cooperative Services Grant Programs; and
- 7 CFR Part 4284, Subpart F, Rural Cooperative Development Grants.

E. Electric and Telecommunications

1. Description of Assistance

i. *Electric*—The Act provides \$8 million in funding to respond to damage caused by hurricanes by covering the cost of loan modifications such as deferring principal and interest payments on existing loans issued to rural electric cooperatives serving designated disaster areas.

ii. *Telecommunications*—The Act provides \$50,000,000 in loan guarantees to be issued to the Federal Financing Bank to respond to damage of telecommunications service in designated disaster areas.

2. Eligibility Criteria

i. *Electric*—Existing borrowers located in designated disaster areas who are experiencing difficulty in meeting debt service obligations are eligible to apply.

ii. *Telecommunications*—Organizations providing or proposing to provide telephone service in designated disaster areas including cooperative, nonprofit, limited dividend, mutual, and commercial companies are eligible to apply.

3. Applicable Statutory or Regulatory Authority

- i. *Electric*:
- Rural Electrification Act of 1936 (7 U.S.C. 1926 *et seq.*); and
 - 7 CFR 1721, Subpart B, Extensions of Payments of Principal and Interest.
- ii. *Telecommunications*:
- Rural Electrification Act of 1936 (7 U.S.C. 1926 *et seq.*);
 - 7 CFR Part 1735, General Policies, Types of Loans, Loan Requirements—Telecommunications Program; and
 - 7 CFR Part 1737, Pre-Loan Policies and Procedures Common to Insured and Guaranteed Telecommunications Loans.

III. Emergency Declaration

Consistent with Proclamation 7925 issued by President Bush, the USDA Rural Development Mission Area has determined that it would be impracticable, unnecessary, and contrary to public interest to delay the effective date of this Notice for any reason. The USDA Rural Development Agencies need to act promptly on hurricane related needs in the designated disaster areas. Delay is contrary to the public interest because the regulations of USDA Rural Development agencies prescribe policies and procedures for obtaining loans, grants, guarantees for rebuilding critical community facilities, buildings, housing and infrastructure such electricity, telecommunications and water and waste disposal systems.

IV. Non-Discrimination Statement

The U. S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD). To file a complaint of discrimination, write to USDA, Director, Office of Civil Rights, 1400 Independence Avenue, SW.,

Washington, DC 20250-9410, or call (800) 795-3272 (voice), or (202) 720-6382 (TDD). "USDA is an equal opportunity provider, employer, and lender".
