DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

Office of Federal Housing Enterprise Oversight

Privacy Act of 1974: Notice of Establishment of New Systems of Records

AGENCY: Office of Federal Housing Enterprise Oversight, HUD.

ACTION: Notice of New Systems of Records.

SUMMARY: In accordance with the Privacy Act of 1974, as amended, 5 U.S.C. 552a (Privacy Act), the Office of Federal Housing Enterprise Oversight (OFHEO) is issuing public notice of its intent to establish three new Privacy Act systems of records. The three systems are titled Emergency Contingency Plan and Personnel Locator System, Mortgage Fraud System, and Computer Systems Activity and Access Records System. OFHEO seeks comment on the new systems of records described in this notice.

The Emergency Contingency Plan and Personnel Locator System will be established to maintain emergency contact information for use in developing and implementing an emergency plan, including a continuity of operations and essential functions plan, and to maintain a facilities evacuation plan. This system will enable OFHEO to adequately coordinate a plan for preparedness and facilities evacuation in the event of an emergency. The Mortgage Fraud System will maintain information of mortgage fraud or possible mortgage fraud involving the Federal National Mortgage Association and the Federal Home Loan Mortgage Association (collectively referred to as the "Enterprises"). This system is being established so that OFHEO may respond appropriately to mortgage fraud in furtherance of the safe and sound operations of the Enterprises. The Computer Systems Activity and Access Records System will be established to maintain, plan, and manage computer system services. It is necessary to ensure security and proper use of OFHEO electronic information and computer systems and services.
