j. *Deadline for filing comments and/or motions:* November 6, 2006.

All documents (original and eight copies) should be filed with: Magalie R. Salas, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. Please include the project number (P-2210-141) on any comments or motions filed. Comments, protests, and interventions may be filed electronically via the internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. The Commission strongly encourages e-filings.

k. *Description of Application:* The licensee requests a variance to grant David L. Madary permission to construct a floating dock that will serve a single family home in the Beaverdam Creek area of Bedford County, Virginia. The proposed structure will be located adjacent to shoreline classified as Conservation/Environmental according to the Shoreline Management Plan, approved on July 5, 2005. The licensee is requesting the variance because the proposed action is not in conformance with the approved Shoreline Management Plan because of its proximity to wetlands. The licensee submitted the request for variance because the wetlands will not be impacted nor will vegetation be removed from the project boundary.

l. *Location of Application:* The filing is available for review at the Commission in the Public Reference Room, located at 888 First Street, NE., Room 2A, Washington, DC 20426, or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "e-Library" link. Enter the docket number excluding the last three digits in the docket number field to access the document. m. Individuals desiring to be included on the Commission's mailing list should so indicate by writing to the Secretary of the Commission.

n. Comments, Protests, or Motions to Intervene—Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and

Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

o. Filing and Service of Responsive Documents—Any filings must bear in all capital letters the title "Comments", "Recommendations for Terms and Conditions", "Protest", or "Motion to Intervene", as applicable, and the Project Number of the particular application to which the filing refers. A copy of any motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

p. Agency Comments—Federal, State, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the Applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

q. Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site at <http://www.ferc.gov> under the "e-Filing" link.

Cranberry Pipeline Corp.; Notice of Technical Conference

October 6, 2006.

Take notice that the Commission will convene a technical conference on Wednesday, November 8, 2006, at 10 a.m., in a room to be designated at the offices of the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

On November 14, 2005, Cranberry Pipeline Corp. (Cranberry) filed a revised statement of operating

conditions in order to comply with the Commission's September 13, 2005 order in this proceeding. *Cranberry Pipeline Corp.*, 112 FERC ¶ 61,268 (2005). In its filing, Cranberry stated that, if the Consumer Advocate Division of the State of West Virginia Public Service Commission (CAD) renewed its protests of the Statement of Operating Conditions, Cranberry requested that a technical conference be convened. In its December 18, 2005 protest of the compliance filing, CAD stated it had no objection to Cranberry's request for a technical conference.

On January 4, 2006, Cranberry answered the protests of CAD and the Public Service Commission of West Virginia, and reiterated that, in light of the two protests, it requested a technical conference to permit it to support its proposed terms and conditions for storage service, and to permit the parties to explain their respective positions.

FERC conferences are accessible under section 508 of the Rehabilitation Act of 1973. For accessibility accommodations please send an e-mail to accessibility@ferc.gov or call toll free (866) 208-3372 (voice) or 202-208-1659 (TTY), or send a FAX to 202-208-2106 with the required accommodations.

All interested parties and staff are permitted to attend. For further information please contact Eric Winterbauer at (202) 502-8329 or e-mail eric.winterbauer@ferc.gov.
