Preliminary Results of Antidumping Duty Changed Circumstances Reviews And Notice of Intent to Revoke Order in Part: Certain Corrosion-Resistant Carbon Steel Flat Products from Germany

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On September 5, 2006, the U.S. Department of Commerce ("the Department") published a notice of initiation of antidumping duty changed circumstances review on certain corrosion-resistant carbon steel flat products from Germany, as described below. *See Initiation of Antidumping Duty Changed Circumstances Reviews: Certain Corrosion-Resistant Carbon Steel Flat Products from Germany*, 71 FR 53653, (September 5, 2006) ("Initiation Notice"). In our *Initiation Notice*, the Department invited interested parties to comment on the request to exclude certain corrosion-resistant carbon steel flat products from Germany ("product in question") as described below from the scope of this order. The Department received no comments.

Absent any comments, the Department preliminarily concludes that producers accounting for substantially all of the production of the domestic like product to which this order pertains lack interest in the relief provided by this order with respect to the product in question. Therefore, the Department preliminarily concludes that it is appropriate to revoke this order, in part, with respect to unliquidated entries of the product in question not covered by the final results of an administrative review, based on the fact that domestic parties have made an affirmative statement of no interest in the continuation of the order with respect to that product. This revocation would not apply to unliquidated entries that are covered by the final results of an administrative review, even if those entries are subject to litigation.

EFFECTIVE DATE: October 13, 2006.
