SUPPLEMENTARY INFORMATION:

Item I—Local Community Recovery Act of 2006 (Interim) (FAR Case 2006-014)

This interim rule adds a local area set-aside to the FAR for debris clearance, distribution of supplies, reconstruction, and other major disaster or emergency assistance activities. The contracting

officer defines the set-aside area. The rule implements the Local Community Recovery Act of 2006, which strengthens the government's ability to promote local economic recovery. The local area set-aside does not replace small business set-asides. Both can be used at the same time. The rule imposes subcontracting restrictions when a local

area set-aside is used. No competition justification is required for the local area set-aside.

Dated: July 28, 2006.
