OFFICE OF THE TRADE REPRESENTATIVE

Determinations Under the African Growth and Opportunity Act

AGENCY: Office of the United States Trade Representative.

ACTION: Notice.

SUMMARY: The United States Trade Representative (USTR) has determined that Burkina Faso has adopted an effective visa system and related procedures to prevent unlawful transshipment and the use of counterfeit documents in connection with shipments of textile and apparel articles and has implemented and follows, or is making substantial progress toward implementing and following, the customs procedures required by the African Growth and Opportunity Act (AGOA). Therefore, imports of eligible products from Burkina Faso qualify for the textile and apparel benefits provided under the AGOA.

DATES: Effective August 4, 2006.

FOR FURTHER INFORMATION CONTACT:

Laurie-Ann Agama, Director for African Affairs, Office of the United States Trade Representative, (202) 395-9514.

SUPPLEMENTARY INFORMATION: The AGOA (Title I of the Trade and Development Act of 2000, Pub. L. 106-200) provides preferential tariff treatment for imports of certain textile and apparel products of beneficiary sub-Saharan African countries. The textile and apparel trade benefits under the AGOA are available to imports of eligible products from countries that the President designates as beneficiary sub-Saharan African countries, provided that these countries: (1) Have adopted an effective visa system and related procedures to prevent unlawful transshipment and the use of counterfeit documents; and (2) have implemented and follow, or are making substantial progress toward implementing and following, certain customs procedures that assist U.S. Customs and Border Protection in verifying the origin of the products.

In Proclamation 7853, the President designated Burkina Faso a "beneficiary sub-Saharan African country."

Proclamation 7350 (October 2, 2000) delegated to the USTR the authority to determine whether designated countries have met the two requirements described above. The President directed the USTR to announce any such determinations in the **Federal Register** and to implement them through modifications of the Harmonized Tariff Schedule of the United States (HTS). Based on actions that the Government of Burkina Faso has taken, I have determined that Burkina Faso has satisfied these two requirements.

Accordingly, pursuant to the authority vested in the USTR by Proclamation 7350, U.S. note 7(a) to subchapter II of chapter 98 of the HTS and U.S. note 1 to subchapter XIX of chapter 98 of the HTS are each modified by inserting "Burkina Faso" in alphabetical sequence in the list of countries. The foregoing modifications to the HTS are effective with respect to articles entered, or withdrawn from warehouse for consumption, on or after the date of publication of this notice. Importers claiming preferential tariff treatment under the AGOA for entries of textile and apparel articles should ensure that those entries meet the applicable visa requirements. See *Visa Requirements Under the African Growth and Opportunity Act*, 66 FR 7837 (2001).

Susan C. Schwab,

United States Trade Representative.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-54239; File No. 4-524]

Joint Industry Plan; Notice of Filing of the NMS Linkage Plan by the American Stock Exchange LLC, Boston Stock Exchange, Inc., Chicago Board Options Exchange, Incorporated, Chicago Stock Exchange, Inc., The NASDAQ Stock Market LLC, National Stock Exchange, New York Stock Exchange LLC, and NYSE Arca, Inc.

July 28, 2006.

I. Introduction

On July 17, 2006, pursuant to Rule 608 of the Securities Exchange Act of

1934 ("Act"),¹ the American Stock Exchange LLC, ("Amex"), the Boston Stock Exchange, Inc., the Chicago Board Options Exchange, Incorporated., the Chicago Stock Exchange, Inc., The NASDAQ Stock Market LLC, the National Stock Exchange, the New York Stock Exchange LLC, ("NYSE"), and NYSE Arca, Inc. ("Participants") filed with the Securities and Exchange Commission ("Commission" or "SEC") an executed copy of the NMS Linkage Plan ("Linkage Plan" or "Plan"), a national market system plan to create and operate an intermarket communications linkage pursuant to Section 11A(a)(3)(B) of the Act.² The Linkage Plan, as stated in section 13 of the Plan, is to become operative on October 1, 2006. The Linkage Plan was executed by the eight self-regulatory organizations listed above. According to the Plan Participants, the Philadelphia Stock Exchange, Inc. ("Phlx") is in general agreement with the policy and rules associated with the proposed Linkage Plan and may become a Participant before the Plan's operative date of October 1, 2006. Pursuant to Rule 608(b)(1),³ the Commission is publishing this notice of, and soliciting comments on, the Linkage Plan.

II. NMS Linkage Plan

In the following paragraphs, the Linkage Plan Participants respond to the requirements of Rule 608 under the Act.

1. Purpose of Linkage Plan

The purpose of the proposed Linkage Plan is to enable the Plan Participants to act jointly in planning, developing, operating and regulating the NMS Linkage System ("Linkage" or "System") that will electronically link the Participant Markets to one another, as described in the Linkage Plan, so as to further the objectives of Congress as set forth in Section 11A of the Act and to facilitate compliance by the Participants and their respective members with Rules 610 and 611 under Regulation NMS.

2. Governing or Constitutional Documents

The governing document is the Linkage Plan.

3. Implementation of Plan

The proposed Linkage Plan will become effective on October 1, 2006.⁴

¹ 17 CFR 242.608.

² This submission supersedes earlier submissions dated April 10, 2006 and June 12, 2006.

³ 17 CFR 240.608(b)(1).

⁴ As the ITS Plan is still in effect, SROs may need exemptions from certain provisions of the ITS Plan, in conjunction with the implementation of the

4. Development and Implementation Phases

As provided in section 13 of the proposed Plan, the Plan will become effective on October 1, 2006.

As provided in section 11 of the proposed Plan, the Plan will terminate on June 30, 2007. Participants that wish to extend the term may agree to do so, subject to Commission approval. During the term of the Plan, a Participant may withdraw on 30 days' notice if it continues to maintain connectivity to all other Participants and accepts orders through the Linkage until June 30, 2007. A withdrawing Participant's right to send orders through the Linkage would terminate on the date the withdrawal is effective.

5. Analysis of Impact on Competition

According to the Participants, the Plan imposes no burden on competition. Rather, it enhances intermarket competition by providing a means, in addition to any private linkages established among Participants, by which orders entered in any Participant Market may access interest displayed in other Participant Markets electronically and in compliance with Rule 611. The Linkage Plan imposes no fees or charges in connection with order executions. Further, the Plan provides that any fee imposed by a Participant on its members in connection with use of or access to the System must not discourage use of the System.

6. Written Understandings or Agreements Relating to Interpretation of, or Participation in, Plan

According to the Participants, other than the Plan itself, there are no written understandings or agreements between or among Plan Participants relating to interpretations of the Plan or conditions for becoming a participant in the Plan.

7. Approval of Amendment by Sponsors in Accordance With Plan

Not applicable.

8. Description of Operation of Facility Contemplated by the Proposed Plan

The System includes the data processing hardware, software and communications network that electronically links the Participant Markets to one another. The System accommodates only regular way trading. All System trades must be compared, cleared and settled through SEC-registered clearing corporations. The System is designed to accommodate

Linkage Plan. SROs should request, and the Commission will consider, appropriate exemptions from the provisions of the ITS Plan.
