SUPPLEMENTARY INFORMATION:

Electronic Access: The Federal Funding Opportunity (FFO) announcement for this competitive solicitation is available at www.grants.gov and at EDA's Internet Web site at <http://www.eda.gov>. Paper copies of the Form ED-900A, "Application for Investment Assistance" (OMB Control No. 0610-0094), and additional information on EDA and its Research and Evaluation Program may be obtained from EDA's Internet Web site at <http://www.eda.gov>.

Funding Availability: Funds appropriated under the Science, State, Justice, Commerce and Related Agencies Appropriations Act, 2006 (Pub. L. 109-108, 119 Stat. 2290 (2005)) are available for making awards under the Research and Evaluation Program authorized by section 207 of the Public Works and Economic Development Act of 1965 (42 U.S.C. 3147), as amended (PWEDA), and 13 CFR part 306, subpart A. Funds up to \$200,000 are available, and shall remain available until expended, for funding awards pursuant to this competitive solicitation. This is the second FFO announcement published under this program during FY 2006. The first announcement under National Technical Assistance was published on June 16, 2006. EDA anticipates publishing at least one more FFO announcement under this program later this fiscal year.

Statutory Authority: The authority for the Research and Evaluation Program is section 207 of PWEDA (42 U.S.C. 3147). You may access EDA's currently effective regulations (codified at 13 CFR Chapter III) and PWEDA on EDA's Internet Web site at <http://www.eda.gov>.

Catalog of Federal Domestic Assistance (CFDA) Number: 11.312, Economic Development—Research and Evaluation.

Eligibility Requirement: Pursuant to PWEDA, eligible applicants for and eligible recipients of EDA investment assistance include a District Organization; an Indian Tribe or a consortium of Indian Tribes; a State; a city or other political subdivision of a State, including a special purpose unit of a State or local government engaged in economic or infrastructure development activities, or a consortium of political subdivisions; an institution of higher education or a consortium of institutions of higher education; a public or private non-profit organization or association; a private individual; or a for-profit organization. See section 3 of PWEDA (42 U.S.C. 3122) and 13 CFR 300.3.

Cost Sharing Requirement: Generally, the amount of the EDA grant may not exceed fifty (50) percent of the total cost of the project. Projects may receive an additional amount that shall not exceed thirty (30) percent, based on the relative needs of the region in which the project will be located, as determined by EDA. See section 204(a) of PWEDA (42 U.S.C. 3144) and 13 CFR 301.4(b)(1). Under this competitive solicitation, the Assistant Secretary of Commerce for Economic Development (Assistant Secretary) has the discretion to establish a maximum EDA investment rate of up to one hundred (100) percent where the

project (i) merits and is not otherwise feasible without an increase to the EDA investment rate; or (ii) will be of no or only incidental benefit to the recipient. See section 204(c)(3) of PWEDA (42 U.S.C. 3144) and 13 CFR 301.4(b)(4).

While cash contributions are preferred, in-kind contributions, consisting of assumptions of debt or contributions of space, equipment, and services, may provide the non-Federal share of the total project cost. See section 204(b) of PWEDA (42 U.S.C. 3144). EDA will fairly evaluate all in-kind contributions, which must be eligible project costs and meet applicable Federal cost principles and uniform administrative requirements. Funds from other Federal financial assistance awards are considered matching share funds only if authorized by statute that allows such use, which may be determined by EDA's reasonable interpretation of the statute. See 13 CFR 300.3. The applicant must show that the matching share is committed to the project, available as needed and not conditioned or encumbered in any way that precludes its use consistent with the requirements of EDA investment assistance. See 13 CFR 301.5.

Intergovernmental Review: Applications under the Research and Evaluation Program are not subject to Executive Order 12372, "Intergovernmental Review of Federal Programs."

Evaluation and Selection Procedures: To apply for an award under this announcement, an eligible applicant must submit a completed application (Form ED-900A, Application for Investment Assistance) to EDA during the timeframe specified in the **DATES** section of this notice. Applications received after 5 p.m. EDT on August 15, 2006 will not be considered for funding. By September 15, 2006, EDA expects to notify the applicants selected for investment assistance. Unsuccessful applicants will be notified by postal mail that their applications were not recommended for funding. Applications that do not meet all items required or that exceed the page limitations set forth in this competitive solicitation will be considered non-responsive and will not be considered by the review panel. Applications that meet all the requirements will be evaluated by a review panel comprised of at least three (3) EDA staff members, all of whom will be full-time federal employees.

Evaluation Criteria: The review panel will evaluate the applications and rate and rank them using the following criteria of approximate equal weight:

1. Conformance with EDA's statutory and regulatory requirements, including

the extent to which the proposed project satisfies the award requirements set out below and as provided in 13 CFR 306.2:

- a. Strengthens the capacity of local, State or national organizations and institutions to undertake and promote effective economic development programs targeted to regions of distress;
 - b. Benefits distressed regions; and
 - c. Demonstrates innovative approaches to stimulate economic development in distressed regions;
2. The degree to which an EDA investment will have strong organizational leadership, relevant project management experience and a significant commitment of human resources talent to ensure the project's successful execution (see 13 CFR 301.8(b));

3. The ability of the applicant to implement the proposed project successfully (see 13 CFR 301.8);

4. The feasibility of the budget presented; and

5. The cost to the Federal government.

Selection Factors: EDA expects to fund the highest ranking applications submitted under this competitive solicitation. The Assistant Secretary is the Selecting Official and will normally follow the recommendation of the review panel. However, the Assistant Secretary may not make any selection, or he may select an application out of rank order for the following reasons: (1) A determination that the application better meets the overall objectives of sections 2 and 207 of PWEDA (42 U.S.C. 3121 and 3147); (2) the applicant's performance under previous awards; or (3) the availability of funding.
