## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-54014; File No. SR-CBOE-2006-01]

### **Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing of Proposed Rule Change and Amendment No. 1 Thereto Regarding a Disaster Recovery Facility**

June 19, 2006.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on January 3, 2006, the Chicago Board Options Exchange, Incorporated ("CBOE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the CBOE. On June 2, 2006,

the Exchange submitted Amendment No. 1 to the proposed rule change.<sup>3</sup> The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

#### **I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change**

The Exchange submits this proposed rule change regarding the operation of a remote business facility in order to preserve the Exchange's ability to trade options in the event the Exchange's trading floor becomes inoperable or otherwise unavailable.

The text of the proposed rule change is available on CBOE's Web site (<http://www.cboe.com>), at the CBOE's Office of the Secretary, and at the Commission's Public Reference Room.

#### **II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, the CBOE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

##### *A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

#### **1. Purpose**

The Exchange proposes to adopt new Exchange Rule 6.18, which would allow for the operation of the DRF. The DRF would only be used in the event a disaster or other unusual circumstance renders the CBOE trading floor inoperable. The purpose of the DRF is to allow CBOE members to operate remotely in a screen-based only environment until the Exchange's trading floor is again available. There would be no open-outcry trading at the DRF. CBOE's Hybrid trading platform would be used for trading through the DRF minus the open-outcry component of the Hybrid platform. Thus, electronic orders would continue to be received by the Exchange and processed and/or executed in the manner they would be handled by the Hybrid System today.

<sup>3</sup>In Amendment No. 1, CBOE made minor revisions to the proposed rule text and clarified certain details of its proposal.
